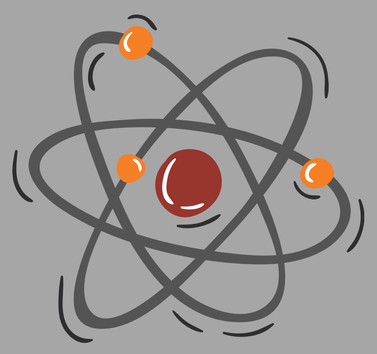
NORTHVILLE PUBLIC SCHOOLS

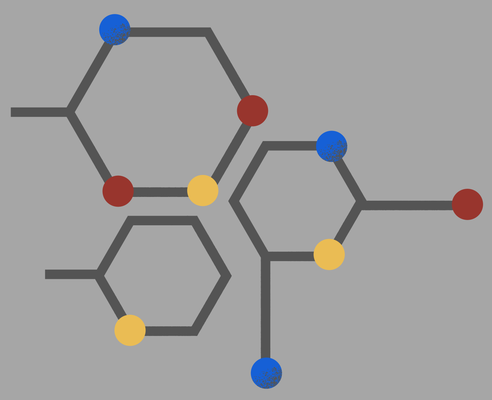
PARTNERSHIPS

There are several avenues through which a partnership with NPS could result in mutual benefits.

CLASS PRESENTATIONS

- Present information to students regarding your career, role, or industry
- Facilitate a question and answer session
- Highlight diverse individuals in your field as examples
- Offer insights on the skills, background, and education required





VISITS TO INDUSTRIES

- Allow for students to participate in a workplace visit
- Offer a guided tour or presentation
- Facilitate a hands-on learning experience if feasible
- Provide networking opportunities with professionals in the company/organization

MENTORING

- Provie guidance to students who are interested in gaining knowledge about your area of expertise through consistent communication
- Aid students in establishing goals and achieving their objectives
- Offer advice on strategies to reach these goals
- Give constructive feedback and assistance to support their progress

COOPERATIVE EDUCATION

- This is also known as work-based learning
- This is an MDE approved paid work experience
- Real work is the primary source of learning
- Students will earn high school credit, early release from school
- Must work a minimum of 10 hours per week but no more than 24 hours. Can be taken for four semesters

INTERNSHIPS

- Internships are for students who want to have work experience in their Career Pathway
- Helps provide insight into their career planning and develop employability skills
- Students are released early from school but are not paid for their time

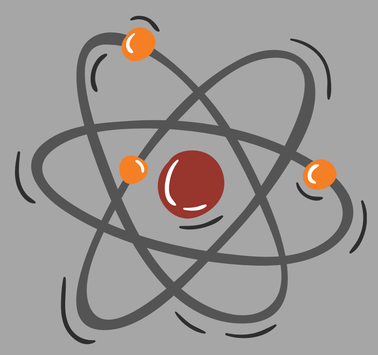
Working to help students to become empowered to explore, innovate, and thrive in an ever-evolving world.

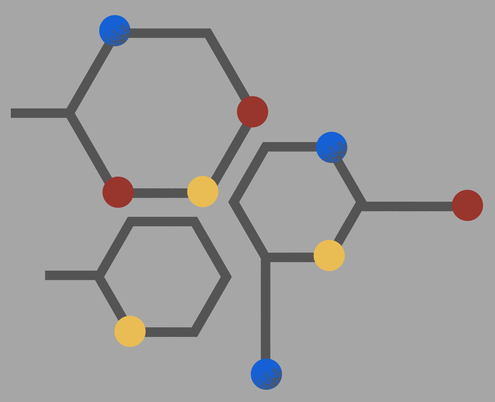
NORTHVILLE PUBLIC SCHOOLS

PARTNERSHIPS

SERVICE HOURS

- Students can volunteer service hours to support your business or organization
- These are flexible, as needed, opportunities to develop skills, learn and give back to the community
- Hours may be recorded for National Honors Society or resume builing





DONATIONS

- Donations in the form of supplies, tools, or other resources (new or used)
- Donations in the form of monetary contributions to aquire items related to coursework

FUNDING

- Allocation of specific events or projects
- Funding of field trips
- Facilitating access to grants for program, resource, or event funding opportunities

DEMONSTRATIONS

- Visit our campus to conduct a demonstration
- Allow classes or groups to come to your business or organization for a demonstration on the development, construction, or functionality of a product or service.
- Provide “how to” opportunities

CHALLENGES

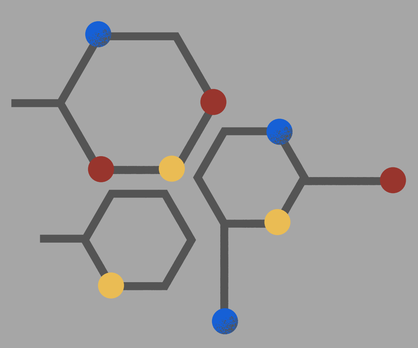
- Create opportunities for classes or groups to collaborate on solving challenges. Think tanks
- Facilitate brainstorming sessions for innovative solutions.
- Organize group discussions focusing on specific issues or problems that require resolution.

Ideas are equal, opportunities are not...our goal is to increase opportunities for our students to flourish.

NORTHVILLE PUBLIC SCHOOLS

PARTNERSHIPS

Northville Public Schools is seeking Community Partners to support our High School internship program.



- Internships are for students who want to have work experience in their Career Pathway.
- Internships provide students with insight into their career planning and develop employability skills.
- Students are released early from school to attend their internship and they receive credit towards graduation.
- Interns do not receive compensation for their services, but they have the opportunity to acquire valuable skills and knowledge by contributing to the operations of the company or organization they are assigned to.

If you are connected to a local business or organization and are interested in learning more about becoming a placement site for High School Interns, please contact:
