L&N STEM Academy Extended Campus Policy

Part of the L&N STEM Academy's philosophy is to help students build efficacy through increased freedom and flexibility. At times, students will be allowed to travel off KCS property and onto the properties adjacent to and near the STEM Academy for activities associated with instruction. The areas to be included in the STEM Academy's Extended Campus are **World's Fair Park:** *Veterans Memorial, Knoxville Convention Center/ The Tennessean, Sunsphere, Knoxville Museum of Art, Blackstock Parking Lot;* **Downtown Knoxville:** *Gay Street Corridor from the Old County Courthouse to the Emporium Building, Lindsay Young YMCA, East TN Historical Society, Knoxville Visitors Bureau, Lawson - McGhee Public Library; Market Square, Bijou Theater, Tennessee Theater; First Baptist Church; Church Street United Methodist Church;* **Emerald Youth Foundation Samson Fields; The Beck Cultural Center; LMU Duncan Law Campus and the University of Tennessee:** *Campus and Environmental Corridor.* Students are expected to make appropriate decisions regarding when and how they access these areas and they are responsible for obtaining proper approval. Periodically, teachers will take their classes off L&N STEM Academy's campus to one of these locations. Teachers will inform parents of when this will occur at least one day before the event. Students are still under the code of behavior outlined in the L&N STEM Academy Student Handbook and are subject to all disciplinary consequences for inappropriate behaviors. When students are "off campus" without proper approval, they are in violation of school policy and will be subject to the appropriate consequences. ****Note this permission form is valid for the duration of your student's high school career at L&N STEM Academy.***
