DISTRICT LEADER EARNS TECHNOLOGY CERTIFICATION

October 3, 2025

(MACON, GA) – Dr. Sarah Mayberry, the Bibb County School District’s Director of Media Services, recently received her TrustED Apps Certified Leader designation. This honor recognizes completion of required modules as selected by 1EdTech Learn.

“This certification strengthens Dr. Mayberry’s leadership of Bibb County’s Digital Resource Vetting Team, ensuring our students and teachers use safe, effective and trusted learning tools every day,” said Kevin Adams, the District’s Chief Information Officer.

The TACL certification lasts for three years and requires successful completion of modules related to data privacy, curriculum innovation and other areas that enhance student success. In all, the process includes a minimum of 50 hours of learning through online coursework, projects and assessments.
