Below is information about the NHS Student Panel:

Northville CARES is pleased to announce some "coming events" for parents. On December 16th at 7:00, Northville CARES will be showing a pre-taped student panel that some of our high school students participated in. The panel was facilitated by Kerri Ann Sondreal (Social Work-Northville Youth Network) and Dianna Shamus (Social/Emotional Learning Counselor-NHS). Our students shared their thoughts on the pressures they face as they navigate through high school. Please contact Amy Prevo (aprevo@twp.northville.mi.us) or Beth Santer (santerel@northvilleschools.org) if you are interested in attending this virtual event. As part of Northville CARES, we are happy to provide two opportunities for our families to view the movie *Chasing Childhood*. *Chasing Childhood* explores the pressures for families and children in a high achievement culture. Northville Youth Network and PTA are sponsoring this movie in the Northville High School Auditorium on Thursday, January 20th at 6:30-8:15 p.m. & Saturday, January 29th at 10:00-11:45 a.m. There will be a short Q & A after the movie facilitated by Amy Prevo (Director-NYN), Kerri Ann Sondreal (Social Work-NYN) and Dianna Shamus (Social/Emotional Learning Counselor-NHS). Please feel free to view the [Chasing Childhood trailer](#).
