Address Due**5th Grade Update**

Our first states test is officially in the books, and the students did a wonderful job overall! Thank you so much for the time and effort you've put in practicing with your child—it really shows.

Looking ahead, our next big project is memorizing the Gettysburg Address, which will be due on **November 7th**. Practicing a little bit each night will give students plenty of opportunities to learn this beautiful and important speech with confidence.

Since next week is a short one, we will not have a spelling test. We will, however, continue moving forward in all of our other subject areas.

We're really looking forward to connecting with you soon at Parent Teacher Conferences—thank you for your continued support in helping your student grow and succeed!

This year our 5th grade students have been given the honor of reciting the Gettysburg Address at the all school Veterans Day assembly. We are excited to share and would love to have your join us!
