

We are **Nob Hill** TIGERS

Positive Behavioral Interventions and Supports

PBIS stands for Positive Behavioral Interventions and Supports, which is an evidence-based framework designed to support students' behavioral, social, emotional, and academic growth. It aims to create positive, predictable, and safe learning environments where all students can succeed. PBIS emphasizes teaching behavior expectations and strategies, focusing on prevention rather than punishment. This approach helps improve overall school safety and promotes good behavior among students.

PBIS TIGER Bucks

What are TIGER Bucks?

TIGER Bucks are a form of school currency used to recognize and reward students for demonstrating positive behaviors that align with our school's PBIS expectations, such as being Respectful, Responsible, and Ready to Learn.

How do students earn TIGER Bucks?

Students can earn TIGER Bucks by:

- Following school rules and expectations
- Helping others or showing kindness
- Demonstrating leadership and initiative
- Going above and beyond in the classroom
- Participating positively in school activities

Who can give out TIGER Bucks?

All staff members—including teachers, paraprofessionals, office staff, custodians, and cafeteria workers—can reward TIGER Bucks when they observe students showing positive behavior.

How do students use TIGER Bucks?

Students can spend TIGER Bucks on items from the school store

Check the school store schedule and reward menu for updated options and prices!

How often can students use their TIGER Bucks?

The TIGER Store is open monthly. Announcements will be made to remind students of upcoming opportunities.
