

Milford School District

Monthly Report

September 2025

The background of the entire page is a photograph of a large pirate ship, the USS Victory, which is a replica of a 18th-century sailing ship. It is docked in front of a large, modern school building with a dark brown metal roof and stone walls. The ship's masts and rigging are visible against a clear blue sky. The school building has a white picket fence in front of it. The text is overlaid on a semi-transparent white rectangular area in the center of the image.

In ensuring that each student has equitable access to the appropriate resources and supports to thrive.

The mindset that improvement is always possible and mistakes are learning opportunities.

Honoring each individual's identity, opinions, and dignity leads to a sense of belonging for each member of the school community.

The district's partnerships with families and community are integral to the success of our students and community at large.

The arts, extra-curricular, and co-curricular activities are integral components of a well-rounded education, fostering much personal growth.

TREASURES

LaToya Bonville
MHS

Mrs. Bonville is there to always support the whole child. She is a smiling face that kids see upon entering the building. He has an open-door policy no matter how big or small the problem. She is quick to support at a moment's notice and ensures that our students have a safe person to go to at Milford High School.

Rodney Field
MCA

Mr. Field is an asset to Milford Central Academy. He supports students and addresses behaviors in a fair, positive, and proactive way. He seeks to help all students and cares for their well-being.

Jacky Allman
Lulu Ross

This summer, Dr. Allman poured her heart into House Systems Rock and gave so much of her time and talent to help make it come alive for our school. She thoughtfully created slide decks for our staff to use during Meet the Teacher and to introduce the idea to our students. She helped transform our building with banners, pennants, and point charts. No matter the task, Dr. Allman was always willing to step in and step up. Because of her, we are stronger, better, and more connected. Dr. Jacky Allman is truly a Milford/Ross treasure.

Ahtziry Lopez-Santiago
Morris

Senorita Santiago's commitment to partnering with families, especially those navigating language barriers, shows how deeply she cares about the well-being and success of the whole child. Senorita Santiago's passion for education, cultural awareness, and equity makes a lasting impact on her students and the broader school community.

BUC BULLETIN BOARD

TOGETHER, WE ARE STRONGER. TOGETHER, WE ARE MILFORD.

Milford School District is built on the strength of our students, families, staff, and community.

In recent days we have seen and heard comments that do not reflect the respect and care that make our community strong.

We remain committed to creating a culture where students, families, and staff feel safe, supported, and respected. We cannot achieve that if our community interactions are marked by hostility or personal attacks, online and in-person. Disagreement is natural, but how we engage with each other sets an example for our students. Our strength as a district has always come from working together. Let's model respect, understanding, and unity - not just in our schools, but across our district-community.
