If this Contract is terminated in accordance with any of the provisions contained herein, all rights of the Contractor under this Contract shall cease. Regardless of the basis for termination, the District shall neither be liable to, nor obligated to pay, the Contractor for any incidental or consequential damages or lost profits, or costs incurred for Work not actually performed.

9.5 The Contractor shall include similar dispute resolution provisions in all agreements with subcontractors, sub-consultants, suppliers, or fabricators so retained, thereby providing for a consistent method of dispute resolution between the parties to those agreements.

9.6 As a condition precedent to any claim or cause of action brought by the Contractor against the District, the Contractor shall notify the District in writing of any contractual or other dispute within twenty-one (21) days of becoming aware of same. The failure to timely provide such notice shall be an irrevocable waiver of any claim or cause of action.
