Trumbull Agriscience and Biotechnology Center

Serving Bridgeport, Easton, Fairfield, Milford, Monroe, Redding, Shelton, Stratford, & Trumbull

Empowering students through hands-on learning, cutting-edge science, and real-world experiences to prepare them for college, careers, and leadership in a changing world

THE 3 CIRCLE MODEL

CLASSROOM

Classroom instruction at Trumbull Ag is inquiry driven with an emphasis on hands-on & project based learning, practical applications, and acquiring skills.

FFA

FFA is an intracurricular student organization for those interested in agriculture and leadership. FFA is for students who aspire to careers as teachers, doctors, scientists, business owners, agriculturalists and more.

SAE

Through SAE projects, students gain hands-on experiences, develop skills, and gain knowledge for future college & career applications.

ACADEMICS

Learning That Matters

- **Science in Action**
 - Apply biology, chemistry, and technology in real-world settings like labs, barns, and greenhouses
- **Explore Your Future**
 - Discover career paths in veterinary science, biotechnology, plant and animal science, and more
- **College-Ready, Career-Strong**
 - Build a competitive edge with skills that prepare students for top universities and in-demand careers
- **STEM with Purpose**
 - Learn through hands-on projects that connect science to solving real-world problems

DISCIPLINES

PLANT SCIENCE

BIOTECHNOLOGY

ANIMAL SCIENCE

VETERINARY SCIENCE

PERSONAL GROWTH

Becoming Your Best Self

- **Lead with Confidence**
 - Step into leadership roles through FFA, competitions, and SAE projects
- **Collaborate & Communicate**
 - Build teamwork and communication skills that matter in every career
- **Think Critically, Act Boldly**
 - Solve real-world challenges through hands-on projects and innovation
- **Grow Through Responsibility**
 - Learn accountability by caring for animals, managing plants, and leading projects
