

TUSKER TRACKS

A weekly, *trunkated* note from Dr. B

The Bronstein Brief

This afternoon, I had the honor of celebrating the 'groundbreaking' for the new UPK playground at Primrose Elementary School, generously funded by the Somers Education Foundation (SEF).

Tusker Pride

October 2nd was National Custodian Day!

Too often, the work of custodians goes unseen, but we all see the dedication and pride the incredible custodial and maintenance teams at SCSD bring to work each day. They are the first to arrive and the last to leave, and they quietly transform our schools into clean, safe, and welcoming places for students, staff, and families alike.

Around the District

This week at Primrose, SRO Pavletich read a book about being a police officer to each of the UPK classes! The visit gave children the chance to learn more about the role of law enforcement in keeping communities safe, while also building positive connections with a trusted adult in their school. Students were excited to ask questions and hear first hand about the importance of helping others.

Tusker Tidbits

Ciao, Somers! On October 1st, Somers kicked off Italian Heritage Month in part by giving Peanut a temporary makeover at SMS! Throughout the month, students will have the opportunity to learn about the Italian language, foods, art and more!

'Tails' of Triumph

During this Hispanic Heritage Month, members of the Higuayagua Taino of the Caribbean, including Ms. Bangash, taught SHS students about Taino culture. Students learned about the Hiwatahia language and played musical instruments, including the mayohuacan and fotuto. They learned a story about the sound of the famous coqui (frog) of Puerto Rico and then did a friendship Taino dance.
