What is a Title I school?

Title I is the largest federally funded educational program. A Title I school is a school receiving federal funds for students. The basic principle of Title I is that schools with large concentrations of low-income students receive supplemental funds to meet students' educational goals.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:
 - Identifying students experiencing academic difficulties and providing timely assistance to help students meet the state's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parent and family engagement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly-Qualified Teachers
- Being a Title I school also means encouraging ongoing parent and family engagement and advocating for parents' rights

How are Title I funds used in our school?

- Parent Involvement
- Professional Development for staff
- Substitutes for staff professional development
- Field Trips
- Supplies and materials
 - Ex: Agendas, Communication folders, Yearbook Cameras, Art supplies
- Differential Pay for Teacher Leaders
- Technology - Computer Equipment

What is the 1% set-aside and how are parents involved?

- Any Local Education Agency (LEA) or school district with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA/district level for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district. In CMS, each Title I school receives its portion of the 90% to implement school-level parent and family engagement activities and events
- Title I parents have the right to provide input into decisions regarding how this money is spent. This process is completed through the School Improvement Team (SIT)

Parent and Family Engagement Allocation

- Some examples of how we are spending our Title I funds:
 1. Food purchases for literacy nights
 2. Communication to families printing materials

The School Improvement Plan (SIP) is created in an online platform called NCStar and includes:

- A Comprehensive Needs Assessment
 - Goals and Strategies to Address Academic Needs of Students
