STAFF SPOTLIGHT

Our Middle School Math Teacher, Mrs. Jamele, is our staff highlight this week.

Mrs. Jamele started her work with us as the K-5 math interventionist, and moved to middle school math three years ago. This is important because her years with us have allowed her to be in ALL of our classrooms, teaching and supporting math. Mrs. Jamele LOVES math, loves a challenge, loves to bring thinking and conversation to every mathematical moment, and especially LOVES being a part of the whole scholar, the whole learning community and takes every moment possible to establish a foundation of respect, value and kindness for anyone she encounters in a day.

**Mrs. Jamele
 Middle School Math**

Mrs. Jamele is our Middle School Math Teacher, which she ROCKS! Mrs. Jamele is a connection, a partner, a team player and a sounding board for staff, scholars and families- which she equally ROCKS! Thanks for all you do every day Mrs. Jamele, especially your constant smile and daily words of support and encouragement.
