Save on everything from X-rays to catching rays

Your HSA rolls over from year to year, so you can continue to grow your savings and use it in the future – even into retirement on a beach.

There are contribution limits, set by the IRS and adjusted annually. These limits are:

Year	Individual coverage	Family coverage
2026	\$4,400	\$8,750
2025	\$4,300	\$8,550

- This means that you contribute at least **\$100 more** than last year
- **\$1,000** extra if you're 55 or older, also known as a catch-up contribution
