Dear Parents:

North Carolina Licensed Speech-Language Pathologists from TerrificTalkers will be conducting Speech-Language screenings at *Charlotte Country Day School*. They operate independently of this school and are not employees of the school. This screening will briefly screen articulation and language skills and does not serve as a comprehensive speech/language evaluation.

If you choose to have TerrificTalkers accommodate your child's speech-language needs here at CCDS, all financial arrangements will be between you and Kimberly Binford Mannion, owner. The cost for this screening is \$25.00 per child and you will receive a letter reporting the screening results and any recommendations from TerrificTalkers after the screening. *Please include payment to TerrificTalkers with this permission slip or you can pay via **ZELLE®** to 7046513001 and write child's name on memo section of check or **ZELLE®**.*

Please indicate below if you want your child to participate.

Thank you,

Kimberly Binford Mannion, M.A.-SLP-CCC
