

Greetings, Charlotte-Mecklenburg Schools Families!

October is National Principals Month, and we are excited to announce the Charlotte-Mecklenburg Schools [2026 Principal of the Year](#) LaTresha Wilson (School Performance Area C).

Principal Wilson is the proud leader of Tuckaseegee Elementary School. She is a passionate leader who is focused on ensuring every student gets exactly what they need. Principal Wilson will now compete for the Wells Fargo North Carolina Southwest Region Principal of the Year.

Congratulations also are in order for our other Principal of the Year finalists who serve as the Principal of the Year for their School Performance Areas:

You can learn more about each [finalist here](#).

Charlotte-Mecklenburg Schools will begin exclusively providing progress reports and report cards digitally for students in grades 3-12. Families must access progress reports and report cards through [Infinite Campus](#). If you haven't yet, take a few minutes to set up your account. Students in grades K-2 will still receive printed progress reports and report cards.

In other news, I spent the first 30 days of the 2025-2026 school year connecting with students and staff during visits to 30 schools. These visits gave me an opportunity to listen, learn and engage with the very people who bring our schools to life. You can [watch highlights](#) from my visits and read about this initiative [here](#).

Thank you for your continued support and for choosing Charlotte-Mecklenburg Schools.

In service and partnership,

Crystal
