Dear Families,

We are pleased to inform you that the Manchester-Shortsville Central School District has implemented a meal certification option for our schools participating in the National School Lunch and School Breakfast Program called the Community Eligibility Provision (CEP).

All students enrolled at Manchester-Shortsville Central School District are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2025-2026 school year.

Your child(ren) will be able to participate in these meal programs without having to pay a fee or complete a Household Income Eligibility Meal Application.

What is the Household Income Eligibility Meal Application?

The form collects basic information about your child so our school can determine if they would otherwise be eligible for free or reduced-price meals. It is important for EVERY family to fill out this form because doing so helps bring much-needed additional money and services directly to our school!

This form must be submitted each year by October 1st.

Our Household doesn't qualify for free or reduced-price meals. do I still need to complete the form?

The information on this form is not shared but does assist in much needed grants for graduating students.

Is the information I submit confidential?

Yes. The information you submit on the Household Income Eligibility Form is not shared by our school. Personal information submitted on the form is not shared with the state or federal government.

Sincerely,

Tim Burns
