EDUCATION AND TRAINING

HISD Academics

Program of Study: Teaching and Training

The **Teaching and Training** program helps students learn about jobs where people teach others. This includes making lessons, helping students learn, and creating fun and helpful learning activities. Students in this program learn how to work with different kinds of learners, how to plan lessons, and how to help both groups and individuals do their best.

EDUCATION AND TRAINING

HISD Academics

Program of Study: Early Learning

The **Early Learning** program helps people get ready to work with young children in preschool and early elementary school. It teaches how to help kids grow socially, physically, and mentally. Students in this program learn how to plan fun and helpful activities for young children.
