

District Goals 2025-26

Safe, Engaged Students Achieving at High Levels

Goal: To enhance the overall educational experience and foster a positive, high-performing school culture by systematically evaluating and improving the effectiveness of curriculum, instruction, and assessment, while actively supporting staff professional development and engagement.

Action Items:

1. **Curricular Alignment** - conduct a district-wide, systematic review of core curriculum (ELA, Mathematics, Science, and Social Studies) to ensure alignment of curriculum, assessments, and instruction to the PA Standards.
2. **Co-teaching Model** - implement co-teaching pilot for delivery of special education services.
3. **Multi-Tiered System of Supports (MTSS)** - Continue implementation of MTSS at all schools.
4. **Instructional Coaching** - Continue implementation of instructional coaching model.
5. **Project Management** - Continue to improve safety/security and operations through effective implementation and management of new and existing systems.
6. **Communication** - Develop additional opportunities to sustain engagement staff, students, and community members.
