SWEETWATER
UNION HIGH SCHOOL DISTRICT

ABOUT

SWEETWATER UNION HIGH SCHOOL DISTRICT

Imagine a school district that wins the San Diego County Academic Decathlon eight years in a row, that guarantees a college education to entire grade levels of children and where students excel in the arts as well as the classroom. At the Sweetwater Union High School District, our students and staff members have accomplished those feats and many more.

Founded in 1920, the Sweetwater District has grown to more than 42,000 students in grades 7 through 12 and more than 32,000 adult learners. The district's 32 campuses are located in the cities of Chula Vista, Imperial Beach, National City and San Diego, including the communities of Bonita, Eastlake, Otay Mesa, San Ysidro and South San Diego.

California's richness in cultural, linguistic and economic diversity is reflected in Sweetwater's student population, which includes Hispanic, Filipino, African-American, Asian and other ethnicities. Approximately half of Sweetwater's students speak a language other than English at home.

ABOUT OUR SCHOOLS - KEY

AS - After School Programs. District middle schools receive local, state and federal funding for before- and after-school activities. Instruction beyond the school day is key to pulling students up to grade level and helping them meet academic standards. In addition, community-based organizations such as the YMCA provide enrichment/recreational activities that range from weight training and dance to leadership development and computer skill-building.

BL - Block schedule. Extended class periods on alternate days, i.e. periods 1,3,5 one day, 2,4,6 the next.

IB - International Baccalaureate. IB course curriculum covers subjects traditionally taught at universities. IB students take extended essay, theory of knowledge and creativity, action and service courses. IB courses are offered at Bonita Vista High and Castle Park High.

21 - Twenty-First Century High Schools. Before and after school programs are funded by the federal 21st Century Community Learning Centers grant. The seven Sweetwater District high school sites include: Castle Park High, Chula Vista High, Mar Vista High, Montgomery High, San Ysidro High, Southwest High and Sweetwater High.

BONITA VISTA BARONS

High School

IB

#14 on map

With a rigorous lineup of International Baccalaureate and Advanced Placement courses, Bonita Vista High (BVH) provides a challenging academic environment supplemented by engaging athletic and extra-curricular activities.

Students also have the opportunity to pursue career courses in automotive technology, information technology, and sports medicine. The Barons' award-winning show choir Music Machine, Club Blue Band and Color Guard compete and provide entertainment at hundreds of events each year.

BONITA VISTA CRUSADERS

Middle School

AS

#13 on map

Bonita Vista Middle School, where we “Prepare Tomorrow’s Leaders,” has many opportunities for students to realize their potential. They include a strong core and elective academic program, Associated Student Body, Knowledge Bowl, Science Fair, Math Field Day, Academic Support Classes, Counseling Support Groups, Tutoring, Peer Mediation, AVID and Intramural sports and an outstanding Dual-Language Immersion program.

BVM’s rigorous academic program helps students prepare for the demands of classes in high school. These programs, in conjunction with highly dedicated and talented staff, help ensure all students maximize their middle school experience in a safe and inclusive environment.

CASTLE PARK TROJANS

#12 on map

High School

AS • IB • 21

One of only two district high schools with an International Baccalaureate course sequence, Castle Park High (CPH) challenges and stimulates students through high quality educational offerings.

In addition to Advanced Placement and International Baccalaureate courses, the school develops student career interests through its ROP Programs in Sports Medicine, Marketing, and Construction. We are also home to the School of Business Leadership and the Science Innovation Academy. CPH students are able to experience not only an education, but real life.

CASTLE PARK KNIGHTS

Middle School

AS

#11 on map

Castle Park Middle School (CPM) has the most innovative and advanced college going culture in the Sweetwater Union High School District; where staff operate with the belief that all students should be prepared academically to go to college. Our state of the art college center offers numerous college resources, virtual tours of universities across the country, as well as weekly college academic language

Our mission is to ensure all students fulfill their academic, personal and social potential through a system of learning distinguished by: A varied, creative and rigorous curriculum, a network of individualized student support (ASSIST Program), a dedicated partnership with family and community (South Bay Community Services- Promise Neighborhood Grant), an environment of social responsibility, respect and trust (Olweus Anti-Bullying Program), and a culture that celebrates individual achievement (Elite Knights' Recognition Program).

We enhance student learning through technology in our lessons in order to build the students' capacity for technology use and to encourage creativity. In addition, CPM offers an intensive support program that provides researched-based (timely, targeted, and systematic) academic interventions.

CHULA VISTA SPARTANS

High School

AS • 21

#8 on map

Chula Vista High School is the home of the School of Creative and Performing Arts (SCPA), a renowned district flagship program. We believe in providing each student a well-rounded education and this is the school where students can have it all.

Academics - a full complement of college prep, honors, career/technical, and advanced placement classes; Arts - majors in Dance, Music, Theater, and Visual Arts; and Athletics - a full range for every season.

In addition to the arts pathways, students can also pursue career pathways in Business, Engineering, and Sports Medicine. A computer science-based math class has also been initiated for students who want to pursue computer science in the upper grade levels.

As a result of the Dual Language program instituted at the feeder schools, CVHS will be continuing this at the high school starting at the 2016-2017 school year.

The Advanced Performing groups of the SCPA, include The Main Attraction, Silhouettes, Dance Force, M-Pulse, Baile Folklorico, Mariachi Chula Vista, House of Guitars, The Spartan Legion (Band and Tall Flags, and Performance Drama. Each of these groups have garnered numerous awards and are one of their kind in San Diego, as in the case of House of Guitars.

The SCPA is the only program that puts on a full Broadway-style musical in the Sweetwater District. Our Visual Arts have a continuing partnership with the Museum of Modern Art, allowing our students to showcase their work in the downtown museum. Our student art work is currently featured in the Congressional Halls in Washington, D.C.

CHULA VISTA CAVALIERS

Middle School

AS

#5 on map

Vibrant performances are a hallmark of CVM's preparatory courses in the School for the Creative and Performing Arts (SCPA), which feed into Chula Vista High.

This is a rigorous 6 year program.

CVM offers comprehensive programs to meet the needs of gifted, special education and bilingual students. Our dedicated staff offer the first best lesson, however, for those students needing extra support, CVM offers before and after school interventions, Saturday Academies, and tutorials during intersession. The before and after school "Club TC" program is one of the most successful in the South Bay.

EASTLAKE TITANS

High School

BL

#16 on map

Eastlake High School (ELH) is a California Distinguished School known for its vast array of academic programs. Located on the eastern side of Chula Vista, one of the fastest growing cities in the state, ELH, home of the Titans, opened in 1992. Eastlake High School offers a variety of career pathways in Pre-Engineering and Health Sciences. Currently, available pathways include Health Sciences and Medical Technology; Engineering and Technology; Arts, Media and Entertainment; and the Health Sciences Pipeline Initiative.

The Pre-Engineering Program received the Golden Bell Award in 2006; this was the second Golden Bell for Eastlake High School. Eastlake High School has also been a major sports contender in the Sweetwater District. Students have been able to thrive in the many programs the school offers.

EASTLAKE TRITONS

Middle School

AS • BL

#17 on map

Eastlake Middle School (ELM) has established itself as a leader in academic achievement during its first ten years of existence. While student results on state-wide exams place the school among the district's top performers, an ability to apply that knowledge has earned ELM students individual, as well as site, ribbons in both the district and county Math Field Day, Knowledge Bowl, Science Fair and art and music competitions.

ELM is also highly competitive in the district's middle school athletic program. A dedicated staff, a rigorous curriculum including a Dual Language Spanish Immersion program as well as strong community and parental involvement assure ELM will continue to be a place of outstanding learning and student success.

GRANGER GRIFFINS

Junior High School

AS

#4 on map

Granger Junior High School is a vibrant community school in National City. Granger has won national recognition being selected as a California School to Watch. Another prestigious award was given by the National Center for Urban School Transformation (NCUST).

Granger was given the NCUST Gold Award and selected as the leading urban middle school in the United States. Many visitors to Granger's campus comment on how students are highly engaged in learning, debates and discussions. Rigor is a part of all classes, and enrichment activities are provided through guitar classes, band, college field trips, as well as fun after school activities.

Hundreds of students stay after school to either participate in sports, clubs or to get homework help and academic tutoring. Granger is also known for its high level of parent engagement, volunteerism and community support. On a typical visit to Granger one will observe parents taking English classes or volunteering in the school's Parent Center.

National City Mayor and City Council members regularly attend school meetings and special events, and community partners like Olivewood Gardens help students strive for better health so they can learn at optimal levels.

HILLTOP LANCERS

High School

AS

#6 on map

Hilltop High School (HTH) has earned its reputation for rigor through the continued academic success of its students.

Hilltop's four-year high school programs in Hospitality and Tourism, Information Technology and Foreign Language and Global Studies develop student interest and provide international concept and career exploration through an innovative "school-within-a-school" concept.

Completion of the program of study prepares students to be future leaders with strong foreign language and problem solving skills, and provides a solid foundation for entry into the career field as global citizens.

#7 on map

Hilltop Middle School is a magnet school which is home to the famous FLAGS (Foreign Language and Global Studies) program. This program attracts students from across the south bay since it offers rigorous courses that prepare students for Honors and/or Advance Placement classes at the high school. All FLAGS students are required to take a foreign language, have access to multiple field trips within and outside the US, along with a community service requirement which connects what students learn the classroom with the real world.

HMS is also a partner with South Bay Community Services and the YMCA to offer before and after school enrichment programs, academic tutoring, sports, and group counseling. We also offer all specialized programs for the students who have special learning needs under their Individual Educational Plan. Hilltop Middle services all students at all levels and teach them the skills they need to be successful in high school and beyond.

MAR VISTA MARINERS

#20 on map

High School

AS • BL • 21

Only minutes from the Pacific Ocean in Imperial Beach, Mar Vista High School (MVH) is the most southwesterly high school in the United States. Award-winning programs include Navy Junior ROTC, the AVID program, and the Poseidon Academy.

The Poseidon Academy refers to itself as a “school within a school”. Students must follow strict guidelines pertaining to their schedules. They are required to take a science class every year, including Project Science which is designed to teach students how to create and test their own experiments.

Every year, students enrolled in this enriching program travel to Catalina Island and even the Galapagos Island. Here they learn to snorkel, kayak and learn more about Marine Science in general. MVH also offers the following Career Technical Education (CTE) Pathways: Business Computer Applications, Fire Science, Multimedia Productions, and Engineering.

MAR VISTA VIKINGS

Academy

AS

#21 on map

Mar Vista Academy's (MVA) mission is to engage, educate, and empower each student to thrive in a global community. As a community of learners, the staff of Mar Vista Academy understands that learning is a life-long process that requires all of us to reflect on our own practice, learn from each other, and strive to improve our instruction every day.

The VALOR Program, MVA's after school program, provides opportunities for students to excel academically and explore creatively. Its comprehensive program model is designed to offer students the best of both worlds in terms of academic support and enrichment classes to participate before and after school.

MONTGOMERY AZTECS

High School

AS • BL • 21

#22 on map

Everything we do at Montgomery High School epitomizes our school motto, “Aztec Pride-The Relentless Pursuit of Excellence.” Together with working with our outstanding administrative team, teachers, and staff, we have focused intensely upon ramping up the rigor in all of our classrooms.

We have implemented the Rigor/Relevance Framework which promotes teachers analyzing the level of rigor and relevance of their instruction as well as how to better engage students. Our professional development has focused upon developing our students’ critical thinking, problem-solving, and collaboration skills to ensure they are college-ready.

During the past four years, we have welcomed over twenty new highly qualified and innovative teachers to our already outstanding faculty. We have increased significantly the number of Advanced Placement classes, students enrolled in these classes, and the students passing AP exams.

We offer two outstanding career pathways through our KMMI Multimedia and Administration of Justice (AOJ) programs. Our exemplary AVID program provides many of our students with the study and organizational skills they will need to be successful in college.

We provide our students with additional academic support and numerous extracurricular activities through our excellent after school program entitled “STAY” and our “Operation GRIT” and “Aztec Checkout” programs. Our athletic teams have excelled by winning many league banners and competing in and winning CIF titles.

Last, but by no means least, our accelerated Prop O facility improvements have provided our students and community with an outstanding university-like learning environment.

Our new classrooms, administrative office, and jewel of the South Bay gymnasium, as well as improved security and landscaping provide our Aztecs with the school which they richly deserve.

It certainly is a “GREAT TIME TO BE AN AZTEC!!!”

MONTGOMERY MAYANS

Middle School

AS • BL

#23 on map

This southern San Diego school offers a variety of challenging academic programs including accelerated core courses and AVID. Our students and staff are regularly recognized as district-wide leaders in technology usage and 21st century skills. Our new facilities are the pride of our neighborhood. The Community Resource Center and Borderview YMCA are on site and strengthen our ties to the community.

NATIONAL CITY KINGSMEN

Middle School

AS • BL

#1 on map

Where Success is the Only Option, National City Middle School (NCM) staff is committed to the implementation of Common Core State Standard with high expectations on career and college readiness preparation.

NCM has a strong focus on comprehensive intervention programs before and after school that places academics first, allowing teachers to extend learning opportunities for targeted students.

NCM offers students a rigorous science curriculum which is evident by the honors that students receive at both the District Science Fair and San Diego Science and Engineering Fair. The campus is on the forefront of technology by the complete incorporation of the iPad's and various application software to support student learning. In addition, all core subject classrooms are fully equipped with state of the art technology to better enhance the learning process.

The recent addition of the art Video Production and Broadcasting facility truly provides students with the experience of Video editing and production. Not only are students academically geared, but the program enhances student physical development by having them actively participate and utilize equipment from the Chargers Champion grant-funded fitness center.

Extracurricular activities include softball, baseball, basketball, soccer, football, cheerleading and dance.

Awards and Rankings:

- California Distinguished School
 - Golden Bell Award winner
- National Center for Urban School Transformation Award winner, 2013
 - Ranked 10 out of 10 in similar schools
- WestEd recognition for "beating the odds", 2013
- California Business for Education Honor Roll School, 2012

OLYMPIAN EAGLES

High School

AS • BL

#19 on map

Olympian High School (OLH) opened August 7, 2006 with a vision of integrating technology with college readiness for all students. Besides a strong core curriculum and AP Program, Olympian has opened two career pathways in the areas of Information Technology, which includes multi-media, web design, and incorporates a state-of-the art recording studio, and in Health Science, which features curriculum in both clinical and sports medicine.

OLH has also implemented a coherent school-wide academic literacy plan to ensure all students systematically develop the skills necessary to succeed in college and/or the world of work.

OTAY RANCH MUSTANGS

High School

BL

#23 on map

Located in a beautiful master planned community, Otay Ranch High School is one of the top high schools in California that offers a rigorous slate of academic programs including one of the largest Advanced Placement Programs in the District, a Dual Language Immersion Program, and an Academy of Criminology and Justice.

Students also have the opportunity to participate in Career Pathways and prepare for specific career fields that include Design, Visual & Media Arts, Health Science & Medical Technology, Performing Arts, and Public Safety.

Finally, Otay Ranch offers numerous extra-curricular activities for its students including more than 40 clubs on campus; championship athletic teams, a VEX Robotics Program that has won multiple state championships, and a nationally recognized yearbook program.

RANCHO DEL REY ROYALS

Middle School

AS • BL

#15 on map

Rancho Del Rey Middle School (RDM) continues to receive state recognition; as a two-time California Distinguished School award recipient. The Math Field Team has demonstrated excellence in winning the past two years' competitions, and the schools' distinguished robotics team continues to support STEM throughout the school.

RDM also has a successful dual-language program that promotes bi-literate and bicultural students. Its non-core course offerings include visual and performing arts and technology that provide an interdisciplinary, standards-based curriculum.

SAN YSIDRO COUGARS

High School

AS • BL • 21

#27 on map

San Ysidro High School (SYH), an AVID National Demonstration School, graduated its first senior class in June 2006 and distinguishes itself from other traditional public schools in many ways. Students are provided a school climate that embraces diversity, promotes personal well-being, safety, security, and citizenship.

SYH offers a challenging, comprehensive, and rigorous curriculum that includes Advanced Placement, AVID and Bilingual AVID, Honors courses, and Navy Junior ROTC. The school offers extended learning opportunities that provide students with exciting choices such as Medical Pathway, a career-technical education program in conjunction with a partnership with UCSD medical center. SYH provides strong, rigorous, and enriching curricular opportunities that include programs in arts, media, entertaining, marketing, sales and services, business and finance that empower students to enter college or the workforce.

After school activities support the academic program by offering tutorials and a wide range of mentally and physically challenging activities to all students. These include: fitness, community service, drama, music, dance, and a Robotics program. SYH school culture promotes high academic standards and achievement, is standards based, grade level relevant, and recognizes the learning differences of all students.

SYH takes pride for receiving the 2013 MetLife National Association of Secondary School Principals recognition as a high achieving school and for improving student achievement.

SOUTHWEST RAIDERS

High School

AS • 21

#24 on map

Southwest High School (SOH) home of the Raiders host several programs including a Dual Language Academy in Spanish and two career-technical educational programs in Bio-Medical and Eco-Engineering. These three particular programs enhance the school's A-G, college going culture.

SOH's nationally renown engineering pathway robotics team has qualified to compete at the 2015 Nationals in St. Louis, Missouri. In addition, this Eco-Engineering pathway placed runner up in the 2015 ACE National Competition in the transportation Challenge category. In addition, SOH also offers career pathway programs in automotive technology and culinary arts.

SOUTHWEST BUCCANEERS

#25 on map

Middle School

AS • BL

Southwest Middle School (SOM) is a school with a collaborative culture that includes parents, students, and community members. Together, SOM creates a caring and supportive learning environment that fosters both learning and success for students. Using research-based data driven instruction SOM provide students with a well-rounded and challenging standards-based curriculum that promotes academic growth for all SOM students.

The mission of SOM is to nourish a rigorous academic culture where all students can effectively acquire the knowledge, skills, and abilities to be successful. The SOM Professional Learning Community upholds the following tenets for student success:

- Established a culture of learning with high expectations for all students.
- Work collaboratively with stakeholders to ensure that all students learn.
 - Use common formative assessments and analyze student data to improve student learning.
 - Promote personal responsibility for the learning success of all SOM students.
- We provide innovative, academically proven programs (Dual Language, AVID, and STEAM Academies) in a technology-rich environment that motivates students' life-long success!

SWEETWATER RED DEVILS

High School

AS • BL • 21

#3 on map

As the only high school in National City, Sweetwater High School (SUHi) is rich in tradition with a strong alumni network that supports a wide-range of academic, career, arts, and athletic programs.

Over the last decade, SUHi has expanded their college readiness and preparedness programs. The school has the highest number of Advanced Placement courses, after school tutoring, free SAT/ACT Prep courses and is home to an award-winning Marine Corps Junior ROTC and Visual and Performing Arts program.

In addition, students are able to participate in internships in the fields of engineering, computer science, robotics, health care, and welding through academies and AVID programs.

ALTERNATIVE LEARNING

MAAC COMMUNITY CHARTER SCHOOL 28

MAAC serves students from grade 9 through age 24. Each of its vocational pathways—Multi-Media Technology and Early Childhood Education—give students the opportunity to explore career paths while they are still in high school. The Stone Worx program was developed in collaboration with YouthBuild and a local company, Custom Cast Stone.

A factory/workshop provides students a professional setting to learn the skill of mold making, casting and staining cast stone to create outstanding quality products. Stone Worx also allows students to earn an hourly wage through the program, which gives them the security of a steady paying job.

OPTIONS SECONDARY SCHOOL (OSS) 29

Options Secondary School is a warm and inviting school that offers students and families looking for a personal approach to education, one that could only be found in a smaller school setting. Options is small, yet provides many of the opportunities students normally experience at a traditional school setting. Most traditional schools are so large students can get lost.

Options students excel in and out of the classroom. The school provides academic rigor with A-G curriculum for students grades 7-12. Students are provided iPads to incorporate technology into student learning as required with Common Core. 7th grader students participate in the annual Compact For Success college visit at San Diego State University. Students are eligible for admission to SDSU via the COMPACT agreement.

Options provides a wide variety of club and school activities such as: ASB (Associated Student Body), fundraising, social clubs, dances, Senior Prom, Senior Disneyland Grad Night, Yearbook Club, Baile Folklorico Dance and Guitar classes, as well as ROP Engineering and Retail Sales courses.

PALOMAR PANTHERS

High School

AS

#10 on map

Palomar is the only continuation high school for the Sweetwater Union High School District. Palomar High School has been recognized as a Model Continuation High School by the state of California for six terms, each term a duration of three years.

Palomar educates a culturally and linguistically diverse population. Every two to three weeks, students are referred from their comprehensive high schools for a lack of academic progress, credit deficiency, in addition to inconsistent attendance and/or behavior issues.

Palomar High School prides itself in being a small learning community with dedicated, caring, highly qualified certificated and classified staff. The school is run on a two-session system, with flexible scheduling, serving grades 10 through 12+.

Palomar has created a safe learning environment by developing and implementing a comprehensive program of health, social and emotional support and counseling services for students and their families.

LEARNING CENTERS

The Sweetwater District offers the opportunity to fulfill high school graduation requirements at Learning Centers located on campuses across the district.

Offering traditional classroom settings, independent study or accelerated instruction helps the Sweetwater District meet the diverse educational needs of its students.

Learning Center students work independently on course packets, then meet with instructors once or twice weekly to review progress and course work. Learning Center education can help students who have failed to meet course requirements get back on track to join traditional school environments or meet graduation requirements early.

Learning Center instruction is available at:

- Bonita Vista High Learning Center
- Castle Park High Learning Center
- Chula Vista High Learning Center
- Eastlake High Learning Center
- Hilltop High Learning Center
- Mar Vista High Learning Center
- Montgomery High Learning Center
- Otay Ranch High Learning Center
- San Ysidro High Learning Center
- Southwest High Learning Center
- Sweetwater High Learning Center

For more information on alternative education programs,
call 619-585-7800.

ADULT SCHOOLS

The learning never stops at Sweetwater's Adult Education Division. The division serves more than 20,000 learners at five adult school campuses- Chula Vista, Imperial Beach, National City, Montgomery and San Ysidro. Classes also meet at convenient locations such as elementary, middle and high schools. Courses are offered in the mornings, afternoons and evenings.

A sample list of the major courses include:

- Adult Literacy
- Adult Basic Education (ABE)
- Basic Communication Skills
- High School Equivalency (formerly known as GED)
 - High School Diploma
- Career Technical Education
 - A+ Computer Repair
- Building Maintenance and Repair
 - Certified Nursing Assistant
- Culinary Arts Professional Chef
- Culinary Arts Professional Pastry Chef
- Cisco Certified Network Associate/Network Technician
 - English As A Second Language
 - ESL/Citizenship
 - ESL Conversation
 - ESL Pronunciation

Visit <http://adulthoodeducation.sweetwaterschools.org>
or call 619-796-7200 to learn more about adult education.

COMPACT FOR SUCCESS

Compact for Success is the Sweetwater District's guaranteed admissions program to San Diego State University. Compact for Success students must meet specific performance expectations starting in grade nine and continuing through high school. Parents, students, educational, business and community partners work together to accomplish these program goals.

The Compact for Success has been honored with a Golden Bell Award from the California School Boards Association and earned a Magna Award honorable mention from the American School Board Journal. For more information on the Compact for Success, call 619-691-5824.

SCHOOL TO CAREER

ENRICHING ACADEMIC PROGRAMS MEET STUDENT NEEDS AND INTERESTS

The Sweetwater District is a leader in developing innovative programs that keep youth interested and connected to school. Its School-to-Career educational pathways offer academic rigor and real-world experiences that prepare district students for success in post secondary education and industry.

The district offers pathways in the following Industry Sectors - Arts, Media, and Entertainment, Building and Construction Trades, Business and Finance, Engineering and Architecture, Health Science and Medical Technology, Hospitality, Tourism and Recreation, Manufacturing and Product Development, Marketing Sales and Service, Public Services and Transportation.

We plan to expand and build programs in Energy, Environment and Utilities, Information and Communication Technology and Advanced Manufacturing. In total, 17 career technical education programs are available to meet student needs and interests.

Students in specialized curriculum programs benefit from a host of community collaborations. Internships, externships, mentorships and professionally guided site visits highlight the opportunities district students enjoy through the various career pathways.

Hands-on experience and challenging academic requirements motivate students to fulfill their full potential.

For information on School-to-Career curriculum,
call 619-796-7225.

TRANSPORTATION SERVICES

The Transportation Services Department provides more than 7,751 daily rides for students across South San Diego County. Only students with district-approved passes or tickets may ride buses in the Sweetwater District.

For one student, a two-way pass is \$300 .00 per year. Single ride tickets may also be purchased through your child's school Web site or the Transportation Department when accompanied with a permit.

- One-way pass, \$150.00 morning or afternoon
 - Single-ride tickets, \$1.75 per ride
 - Replacement fee, \$7.00 per replacement
- Photograph, \$1.00 taken at the bus pass office

NUTRITION SERVICES

The Nutrition Services Department strives to provide nutritious, appealing food and quality service to each school site. Lunch service is provided to all district schools. Breakfast and after-school supper service are available at most sites.

Meals are available at a reduced or no cost to students who qualify. Applications for free or reduced-price meals are available online and at the school cafeteria or by contacting Nutrition Services at 619-691-5510.

- Regular Lunch \$2.40
- Regular Breakfast \$1.50
- Free and reduced-price meals provided at no cost for those who qualify

STUDENT SERVICES

The Department of Student Support Services is available to assist parents/guardians with intra-district and inter-district transfers.

In addition, the department processes joint resident, caregiver, and other residency documents.

Other areas of responsibilities include student welfare and attendance, truancy intervention, student health services, and community resource centers.

Student Support Services offers a range of services to ensure students reach their fullest potential. For additional information, call 619-691-5564.

ENROLLING IN THE SWEETWATER UNION HIGH SCHOOL DISTRICT

Joining the Sweetwater Union High School District is simple.
Identify what school to attend:

1) Visit the district's website (www.sweetwaterschools.org) click on the link in the upper right corner labeled Find My School.

Click that link and then click the large link labeled School Locator. Enter your address and follow the directions. If you have problems, use option 2)

2) Call the Sweetwater District Planning Department at 619-691-5553. By providing your address or potential new address, office staff will refer to school boundary maps and help identify what school students should attend.

To enroll in classes, potential students and their parents should provide the following to their appropriate school administrators:

- Proof of Residency
Acceptable documentation includes:
 - Utility bill
 - Signed lease contract
 - Mortgage statement
- Immunization records
- Previous school transcripts or recent report card
