

Rye City School District Board of Education Goals 2025-2026

INSTRUCTION & PROFESSIONAL GROWTH

Support faculty, staff, and administrators in delivering rigorous, student-centered instruction and fostering the social-emotional development of all students, in alignment with The Rye Commitment and the District's Strategic Plan.

- Fund, support, and expand where necessary, professional growth, instructional programming, and curriculum in the following areas:
 - International Baccalaureate Diploma Programme
 - AP Capstone Diploma Program
 - Authentic Project Design
 - Artificial Intelligence
 - Culture and Climate Survey (5-12)
 - New Teacher Mentoring and Coaching
 - SEL Practices (K-12)
 - Responsive Classroom (K-5)
- Continue to maintain our commitment to:
 - Assessment and Data-Based Instruction
 - Instructional space as a tool for engaging and high-quality instruction
 - Phonics Instruction (K-2)
 - Dialectical Behavioral Therapy (DBT)

COMMUNICATION & ENGAGEMENT

Support and enhance District and BOE communication about programs aligned with The Rye Commitment and the District's Strategic Plan to increase community awareness, understanding, and engagement.

- Enhance district communication by delivering consistent messaging across social media, video, email, and newsletters.
- Strengthen community engagement through improved communication of Board of Education news and highlights.

OPERATIONS & FISCAL MANAGEMENT

Establish District priorities through the development of a fiscally responsible budget, while ensuring all operational systems function effectively and efficiently.

- Define and implement a prioritization evaluation process to identify future facilities work, while completing the final phases of the Capital Project based on available funding.
- Ensure the District's Strategic Plan guides the development of a fiscally responsible budget.
