What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together that explains how we will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- **Link to goals of the school improvement plan.**
- **Focus on student learning skills.**
- **Describe how teachers will help students develop those skills using high-quality instruction.**
- **Share specific strategies parents can use at home.**
- **Explain how teachers and parents will communicate about student progress.**
- **Describe opportunities for parents to volunteer, observe, and participate in the classroom.**

Jointly Developed:

The parents, students and staff of College Park Elementary school developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us how to help them learn. Meetings will be held Spring 2026 to review and revise.

Parents are welcome to contribute comments at any time!

School & Family Partnerships

As A Leader in Me School: Habit 6, Synergize - informs us that we can accomplish more as a team then we can on our own. There are many opportunities at our school for parents to volunteer and pay a role in their child's education. Please consider joining the faculty, staff and your child through some of the following events.

Join us for our Family Fun

- **Expo Day Math**
- **Expo Day Reading**
- **Expo Day ESOL**
- **Expo STEM IT Up**
- **Classroom Observations (24 hour notice)**
- **Volunteer**

Communication on Learning

College Park Elementary School is committed to frequent two-way communication with families about their child's learning. Some of the ways you can expect us to reach you are:

- **Family/ Teacher/Student Conferences (Compact will be Discussed)**
- **Class Meetings**
- **Infinite Campus / School Website**
- **Parent Email, Calls, and Text**
- **Class Dojo**
- **Family Resource Center**
- **Classroom Observations**

When you have a question about your child's learning, email the teacher or call the school for the teacher's contact information.

K-5th Grade Princeton's Leadership Academy 2025-2026 School-Family Compact for Achievement

Revised: August 15, 2025

Our Goals for Student Achievement

District Goals

- **Increase the percentage of all students scoring proficient or distinguished on Reading Milestones**
- **Increase the percentage of all students scoring proficient or distinguished on Math Milestones.**

College Park Elementary Goals

- **All students will meet Reading proficiency goals as evidenced by the Spring 2026 Georgia Milestones Assessments**
- **70% of students will meet typical growth expectations on EOY iReady Reading in May 2026**
- **All students will meet Math proficiency goals as evidenced by the Spring 2026 Georgia Milestones Assessments**
- **60% of students will meet typical growth expectations on EOY iReady Math in May 2026**

Reading Focus By Grade

- **K-2ND: Will recognize high frequency sight words, blending isolated vowels and decoding.**
- **3RD- 5TH: Recall fables, folktales, morals, and lessons to determine themes, and main ideas to compare across genres.**

Math Focus By Grade

- **K-2ND: Fluently Adding and Subtracting with 5, 10, and 20, and Building Fluency adding and subtracting.**
- **3rd-5th: Master Fact Fluency of addition, subtraction, multiplication & division through 12.**

Our School Will...

- Establish personal reading objectives for students and offer materials and activities that align with their reading level.
- Provide parents with Math resources to increase fluency in addition, subtraction, multiplication, division and numerical operations.

The Family will...

- Ensure students use their personal reading materials provided by the school, while at home.
- Ensure students use their math resources and activities provided by the school.

The Student will...

- Use their personal reading materials and activities provided by the school that are aligned to their reading levels.
- Utilize the math resources provided by the school for practice in addition, subtraction, multiplication, division and numerical operations, to strengthen math fact fluency skills at home.

Family Resource Center

The family resource center offers games, books, and resources for parents to use at home to support their child in learning academic standards.
