# Dental

Humana

Our dental plans help you maintain good oral health through affordable options for preventive care, including regular checkups and other dental work.

## DPPO Plans

Two levels of benefits are available with the DPPO plans: in-network and out-of-network. You may see any dental provider for care, but you will pay less and get the highest level of benefits with in-network providers. You could pay more if you use an out-of-network provider.

### Find an In-Network Provider
