

Reality Party for Parents

Exposing today's teen party culture

Why Parents?

Reality Parties spark honest conversations between parents and teens on tough issues—and give families practical strategies to keep youth safe and healthy.

Experience the Party

Participants tour an Oak Park home staged as a teen party, with youth actors voicing real concerns shared by local teens and young adults. Reality Parties are free and open to the public (adults only).

Saturday, Oct. 11, 2025
