## WHY OUR CAREER EXPLORATION EXPERIENCE?

**92% of participants clarified their career goals**

“It allowed me to explore many areas of healthcare and interact with professionals in roles I didn't know existed. This variety made the experience both eye-opening and inspiring for anyone considering a career in a medicine.”

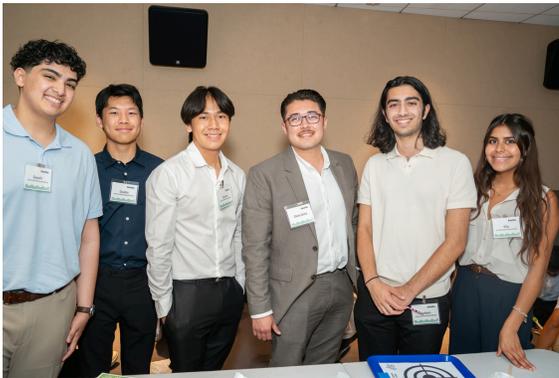

Irvine Unified School District Student @ Rady Children's Health

**95% feel better prepared to join the workforce**

“I have a stronger grasp of what the workforce really looks like and what I can expect for the future and that eases my nerves about working professionally with others.”

Garden Grove Unified School District Student @ AI Entertainment

**96% feel confident building professional relationships**

“The most valuable aspect was connecting with the highly motivated young talent that OC has and building relationships and connections with people who are likely to succeed in their careers.”

Anaheim Union High School District Student @ Edwards Lifesciences
