

PSAT Student Readiness Check Instructions

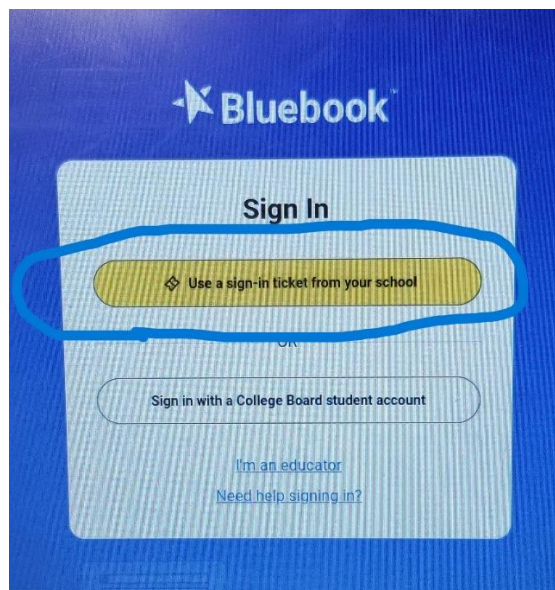

Teachers – Please follow the steps below to ensure a smooth process for the student readiness check.

1 – Have students write down the **User ID** and **Registration Number** for the PSAT located on their Student View landing page.

2 – On their Chromebooks, students should click on **“Apps”** and then **“Bluebook”**.

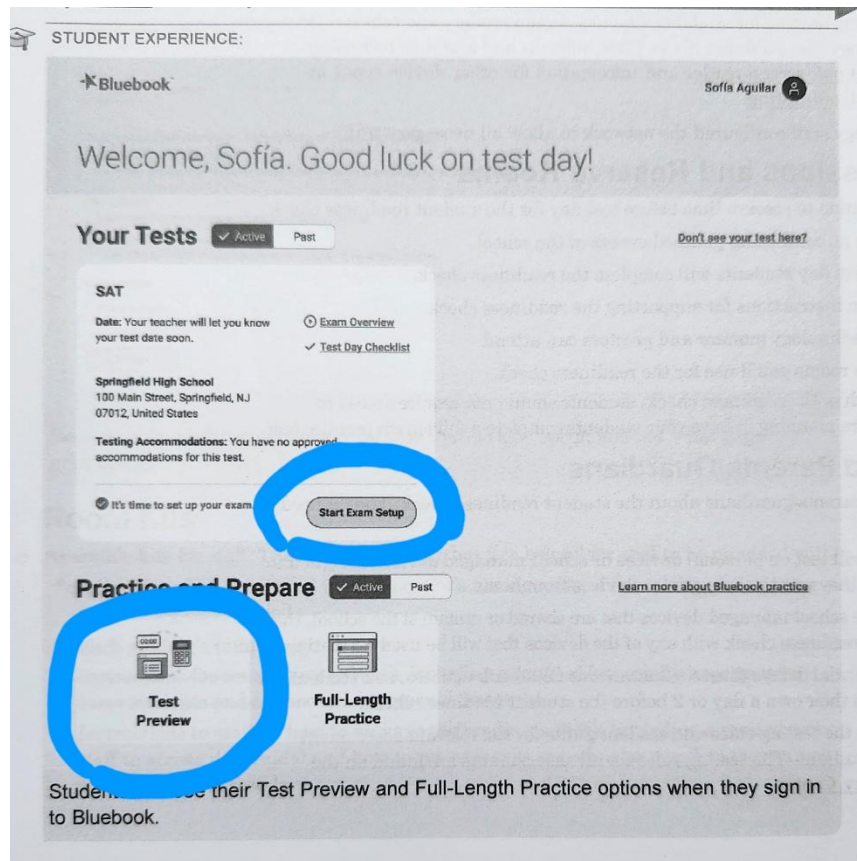

3 – Once in, they need to click on the yellow button that says, **“Use a sign-in ticket from your school.”**

PSAT Student Readiness Check Instructions

4 - They will then enter the **User ID** and the **Registration Number** posted on their Student View page. You have also been provided a copy of this information.

5 - Students are to complete the section titled **“Start Exam Setup”**. Once done, they then complete the **“Test Preview”**.

6 - Please inform students that they are allowed to use these login credentials to complete the **“Full-Length Practice” exam AT HOME**.
