CAMP MEDICATION & EPIPEN/INHALER PROCEDURES

ORIGINAL CONTAINERS

Medications, including Epipens and Inhalers must be brought to camp in their original containers. Expired medications will not be accepted.

PHYSICIAN ORDERS

Medications, including Epipens and Inhalers must be accompanied by the current physicians orders indicating medication administration directions and dosage. Expired medications will not be accepted.

SIGNED DOCUMENTS

The physicians orders must have both the signature of the doctor AND the signature of the parent/guardian to be accepted in the clinic. Expired documents will not be accepted.

SUMMER CLINIC HOURS

Monday: 8:45am-3pm
Tuesday-Friday: 9am-3pm

MEDICATION DELIVERY

All medications, including Epipens & Inhalers must be delivered by parent/guardian ON OR prior to the first day of camp.

MEDICATION PICK UP

All medications must be picked up on the camper's final day of attendance. For those attending multiple weeks, medications may remain on campus until their last day. Please note that medications are not permitted to be sent home with campers on the bus.

EPIPEN & INHALER-SELF CARRY

If the camper is an approved "self-carry" user, all orders should be on file in the clinic at least two weeks prior to camp for approval.

DELIVERY METHODS NOT ACCEPTED

Do not send medications with your camper on the bus or in their backpack. Only pre-approved "self carry campers" may do so. Parents/Guardians should plan to deliver necessary medication ON OR prior to the first day of camp.
