VE_ACEWBL	22152	ACE In School WBL	CT	1	1	PWR	-	-	998005	Yes	No	No	-	Work-Based Learning Programs are structured educational experiences that integrate classroom learning (school-based) with productive, structured work experiences (work-based), which are related to a student learning entry-level job skills. A training plan and evaluation (to be filled out by the supervisor/employer) will be developed, listing job-specific technical skills the student will learn during the experience. Hours worked will be documented. Students will demonstrate levels of self-awareness, career exploration, and postsecondary option knowledge and employability skills. The ACE teacher serves as a coach and mentor checking in with the supervisor/employer regularly.
