Thornton Academy Student/Guest/Parent/Guardian Agreement

Guests of Thornton Academy are expected to behave in a socially appropriate manner while on school grounds or at school events. This means guests are expected to comply with school policies and behave in a manner that respects our Four Pillars of Community Life: respect, responsibility, compassion, and investment. The failure of any Thornton Academy student or guest to comply with these policies will result in response/action as described in the Thornton Academy Student Handbook. In the event a parent/guardian of a Thornton Academy student or guest is contacted by school personnel and advised of an infraction that requires the student or guest to leave the dance, the parent will promptly provide or ensure transportation away from the dance location.
