PACIFIC VIEW CHARTER SCHOOL

Winter Edition Newsletter

We are so excited to be in full swing in the school year and heading towards the holidays! We have increased our social and college and career offerings this year with an increase in clubs, presentations and field trips. Make sure to check out PVC Connect, your weekly agenda and check with your teacher as more stuff is being added each week. Upcoming will be some new clubs in Oceanside: Chill Anime, Relaxation and Auto Clubs are all set to start up soon!

Report Cards: Track 1 Semester 1 has ended and Track 2 Semester 1 will end December 20. As a reminder, report cards are emailed out to families. If you do not have a working email address on file, please contact your Supervisory Teacher to update it or to let them know you would prefer to receive a printed copy.

Attendance: Excused absences include medical problems, funerals, and court appearances. Students will not be excused for transportation issues, family vacations, babysitting siblings, or taking care of other family members. If your student needs to be absent, please contact our Absence Line at (760) 757-0161 Ext 142. If you do not contact the school to report an excused absence, the absence will be counted as unexcused regardless of the reason.

Winter Fest: We are excited to invite families to our annual Winter Festival on Friday, December 20 at 10:00 am on both campuses. Come out to celebrate the season with the PVC community right before we head off for Winter Break!

Surveys: Finally, we will be sending out our mid-year surveys to both students and parents/guardians in early December. We encourage you to complete the surveys to help us gather information on how we are serving students and ways that we can improve. If you do not have an email on file with the school, please contact your Supervisory Teacher so that you get access to the survey link as well as other schoolwide notifications.

As always, if you have any questions or concerns, you can always contact me directly at egorence@pacificview.org. Thank you for all you do to support the learning of our students!

Warm regards,
Erin Gorence
Executive Director

What's Up Moreno Valley?

The Moreno Valley campus celebrated Red Ribbon week with a fun door competition. Students from each room decorated their doors promoting being drug free. We are happy to say that Ms. Meck, Sanchez, and Lert's door won the pizza party for their students. Our Lunch Time Social Club sold "Boo Grams" as a fundraiser to plan events. They sold over 100 grams. Way to go students. Come join the club which meets every first and third Monday of the month at 12:30pm.

Gobble Gobble, it's almost turkey time. We can't believe the holiday season is already here. We hope that all our students and families enjoy their Thanksgiving break coming up November 25th-29th.

Join the Moreno Valley Campus for our Winter Festival on Friday, December 20th. We will have many activities for students and families to enjoy and participate in. Come and grab some hot cocoa and treats. Decorate your own holiday cookie. Lot's fun coming up. We hope to see you there.

Stay tuned for more adventures from What's Up Moreno Valley.

Literacy Updates

We're excited to share updates on our ongoing efforts to support your child's reading skills! Since summer, our high school team has been working hard to revise high school courses to make reading, writing, and critical thinking more engaging and effective. In September, the Moreno Valley Library visited our Moreno Valley campus, and students and parents were invited to check it out on Coyote Campus Day. In October, the Oceanside Library Book Mobile visited the Oceanside campus, and students had a great time checking out new books.

This fall, members of our middle school and high school team also attended a conference focused on strategies to help English Learners, and they will be bringing what they learned to support our teachers in helping all students succeed in reading. Lastly, we have also been working to create an entire series of Home Study Support Academy videos with easy, practical tips for supporting reading at home, so be on the lookout for these during the spring semester.
