

STEPS TO CREATE YOUR FSA ID

A FSA ID is the username and password you and one or both of your parents create to sign and complete your FAFSA each year. Each individual needs their own FSA ID. Document ALL passwords and security questions for future use.

GATHER RESOURCES & INFO

Required parent/student information:

- Social security number
- Date of birth
- Address & basic demographics

GO TO FSAID.ED.GOV & CREATE LOGIN

Create your login with a username, password, and a **personal** email that you **check regularly**. It cannot be a school email.

CREATE SECURITY QUESTIONS

Ensure the security questions you choose have answers you will remember and everything is spelled correctly. **The questions are case sensitive.**

VERIFY INFORMATION & DOCUMENT

Before you submit, ensure all information reported is **correct** (social security number, security questions and answers, etc.)

LOG ONTO FAFSA.GOV

Once you create your FSA ID, it takes approximately three days to verify, but you can login now and begin filling out your FAFSA at **fafsa.gov**.

Email:

Username:

Notes: (You can use this section to answer your security questions. Be sure to store in a safe place.)
