V. PUBLIC COMMENTS

PUBLIC COMMENTS PROCEDURE: LGA's Executive Council (Council) welcomes the public's participation at Council Meetings and has devoted time in the meeting for that purpose. The Council requests that you fill out a Public Comment card and turn it into the Administrative Support Manager. Your name will be called under the appropriate agenda item or Public Comment section of the agenda. Presentations from the public are limited to two (2) minutes regarding any item that is within the Council's subject matter jurisdiction. The Council shall limit the total time for public input on each item to 20 minutes. Please note that Government Code Section 54954.2(a) limits the ability of Council Members to respond to public comments. In addition, the Council may not take action on any item which is not on this agenda except as authorized by Government Code 54954.2.

VI. CONSENT ITEMS

CONSENT ITEM PROCEDURE: Generally, routine items are approved by one motion without discussion. The Superintendent or Board member may request that an item be pulled from the Consent Agenda and voted on separately.

   a. **Approve the Executive Council Meeting Minutes 8/28/25**
   Prepared by Natalie Amaro, Administrative Support Manager (Confidential)

VII. ACTION ITEMS

ACTION AGENDA PROCEDURE: Formal action is required on each item which frequently includes discussion prior to the motion. Time is given for public comments.

   a. **Approve New Courses for 2026-2027**
   Prepared by Mailee Lee, College and Career Counselor

   Recommended Motion:
   The council is asked to approve the adoption of Physics of the Universe, Chemistry in the Earth System, and AP Precalculus.

Rationale:
Currently, we offer Chemistry in the Community and Conceptual Physics. These two physical science courses follow the previous National Science Education Standards. With the adoption of the Next Generation Science Standards (NGSS), Leroy Greene Academy would like to add Chemistry in the Earth System and Physics of the Universe to better align with NGSS by embedding Earth science within the other three disciplines. Adding these two courses will ensure that our school remains up to date with NGSS course requirements and a–g standards, while helping our students stay competitive as applicants to higher education.

Currently, the two highest math classes offered at LGA are Statistics and Precalculus. In the past, we have relied on students taking higher-level math courses at our local community colleges. However, community colleges are reducing the number of online math courses, and we can no longer reasonably guarantee placement in those courses. We would like to add AP Precalculus as an additional opportunity for students to further develop their math skills and prepare for AP Calculus or college-level mathematics.

b. **Ratify the 25-26 LGA Dependent Charter Certificated Salary Schedule**
Prepared by Pooja Maharaj, Principal

Recommended Motion:
The Council is asked to ratify the 2025-2026 Dependent Charter Certificated Salary Schedule to align to NUSD's certificated salary schedule.

On June 11, 2025, the NUSD Board ratified the Memorandum of Understanding between the District and Natomas Teachers Association (NTA) regarding the 2025-26 Schedule and compensation for Leroy Greene Academy (LGA) Dependent Charter.

Through the negotiations process, the District and NTA reached a Tentative Agreement on Article XIX - Dependent Charter School. That Tentative Agreement includes an update to the number of minutes allocated to instruction and office hours. Since the District and NTA share an interest in implementing Leroy Greene's new schedule at the beginning of the 2025-2026 school year, the parties agreed to an MOU (linked) that clarifies that the Tentative Agreement for Article XIX - Dependent Charter School will go into effect July 1, 2025 prior to settling our current contract negotiations.

In addition, through the MOU, the parties also established the rate of pay for teachers serving as a substitute and compacted the Dependent Charter Certificated Salary Schedule to align to NUSD's certificated salary schedule.

This MOU will expire upon ratification of the full successor agreement.
