Chain of Communication/How to Effectively Communicate with School Officials Regarding Harassment, Intimidation, and Bullying (HIB)

Parents are often discouraged or frustrated when they attempt to communicate with central office administrators and are sent back to building-based officials in order to resolve a problem their child may be experiencing in school. To prevent that frustration, parents can become informed about the **"Chain of Communication,"** or where to begin the communication sequences regarding an HIB.

If your child has been involved in an incident of HIB and you have additional questions regarding the HIB process and timelines, please follow the chain of communication below.
