Fargo Public School District #1

The following information is for media outlets for the purpose of assigning staff coverage to the event.

STUDENTS GETTING ACTIVE ON WALK, BIKE & ROLL TO SCHOOL DAY

Longfellow Elementary School students are making the trip to school an adventure on Wednesday. Instead of riding in a bus or car to school, they're learning their safe route and walking or rolling to school.

- WHAT:** Walk, Bike & Roll to School Day
WHEN: **Wednesday, October 8** from 7:15 to 8 a.m.
WHERE: Longfellow Elementary School, 20 29th Avenue North, Fargo
CONTACT: **Eric Henrickson**, Longfellow principal, at henrice@fargo.k12.nd.us or 701.446.5004 for more information.

Students from Longfellow Elementary School have been encouraged to eschew engine power in favor of leg power for National Walk & Roll to School Day on October 8. The elementary students will walk, bike, or employ any other human-powered transportation such as scooter, skateboard, or roller blades to get to school.

Longfellow will have activities for students in conjunction with Walk & Roll to School Day sponsored by the Parent Teacher Organization.

National Walk & Roll to School Day is sponsored by the National Center for Safe Routes to School. Through the events held nationwide, it hopes to encourage students to get active and form important habits for a healthy lifestyle.
