### FEDERAL FUNDS SUPPLEMENT NOT SUPPLANT POLICY

The Bourne School District is committed to utilizing federal grant funds to supplement instructional programs funded by local, state, and other sources as required by law and regulation. Federal funds will be used to complement and extend district-funded programs, not to take the place of (supplant) programs previously funded by the district, except as provided by the granting program.

The Superintendent or designee will ensure that federal grant funds are disbursed appropriately and that associated record-keeping and reporting complies with required guidelines and mandates.
