Meet the Kickin' Queens of Antelope Football Ahead of Friday's Big Game

Antelope, CA- As excitement builds for Friday's football game, Antelope High School proudly spotlights two exceptional athletes breaking barriers: **Miley Phillips** and **Olivia Richardson**, the team's talented female kickers.

Miley Phillips, a first-year player inspired by teammate Olivia and the team's supportive culture, shares, "When I joined, I was nervous, but the boys and coaches were very welcoming." Miley plans to pursue kinesiology in college and become a firefighter after graduation.

Inspired by her older brother and determined to make her mark, Olivia Richardson became Antelope's first female kicker in her sophomore year. She says, "My brother told me, 'You have nothing to lose.' That day I became the first girl kicker at Antelope!" Olivia aims to play college soccer and pursue a communications degree to become a sports broadcaster.

Miley and Olivia embody the spirit of breaking barriers and building team unity, bringing extra energy and excitement as Antelope gears up for the big game against Roseville High School. Join us at **Tiger Stadium (1 Tiger Way, Roseville) on Friday, August 22, at 7 p.m**. to cheer on these standout athletes and the entire team!

Media interested in scheduling interviews with our athletes can reach out to:
