Thirty & Thriving: Granite Bay High's Homecoming Parade, Fireworks, and More

Granite Bay, CA –Granite Bay High School is set to kick off an unforgettable celebration marking the **30th anniversary of its Homecoming traditions**. Festivities include the iconic parade down Wellington Way, the annual Bonfire Rally, and dazzling fireworks during the big game.

The Homecoming Parade, held every five years, will take place **Friday, October 17, beginning at 4:00 p.m. along Wellington Way**. Wellington Way will be closed by California Highway Patrol from 3:50–4:45 p.m. to ensure public safety. The parade features creative floats **built entirely by the Student Government Class;** which takes them weeks to come up with the ideas and then put it all together. The event includes performances from cheer, band, and dance teams. A special surprise will be revealed during the rally, with details kept secret until the big moment!

Homecoming week also features the Bonfire Rally on Thursday night, complete with floats, spirit performances, and a fire safely supervised by the South Placer Fire Department. On Friday evening, fans can enjoy fireworks set to the National Anthem around 7:00 p.m., followed by a halftime fireworks show between 8:00–8:30 p.m. during the Homecoming game.

Community members, staff, students, and alumni are invited to join the celebration and help make this 30th anniversary one to remember!

Media interested in attending or scheduling interviews with students and staff, reach out to:
