Student Athlete of the Week

Female Athlete of the Week: McKenna Crouse (soccer)- McKenna played defense in our game this week and was an absolute rock. She was also instrumental in directing others in positioning in a positive manner. She showed her potential future leadership skills. - Coach Bjorn Flora

Male Athlete of the Week: Tomasso Alborghetti (soccer) - Tomasso has been a great addition to the team and always has a fun attitude. He makes plays happen on the field and he put four goals in against Monadnock with an assist. - Coach Dan Nelson

MS Female Athlete of the Week: Abby Hall (soccer) - Abby has been steadily raising her level of play and showing more aggressiveness on the midfield wing by courageously bringing the ball up the line and cutting in to create opportunities for her strikers or take shots on goal. Yesterday, she finally scored the goal she's been working toward, helping lead our team to an impressive 8-0 victory against Great Brook. - Coach Emily Hall

MS Male Athlete of the Week: Devon Crouse (soccer): Devon provided an offensive spark in the 12-2 win at Great Brook, scoring a hat trick and a few assists. In a show of true sportsmanship, as the game went on, he offered to play different positions in order to have teammates get more playing time and were set on providing opportunities for other players to score. - Coach Tommy Coyle
