Minutes

I. Call to Order

The meeting was called to order at 2:04 PM.

In attendance:

Kelly True

Nicole Enberg

Cathy Carmignani

Caitlynn Panczyk

II. Review of Minutes

A. December 2024

B. January 2025

Will review and vote on past minutes at the March meeting.

III. Old Business

A. Competency Determination

We will use the guidance from the state when it comes out. It's good we are aligned with MA Core because the state might be going by that.

B. Student Achievement Report

All grades will be taking MCAS but the scores will not affect graduation requirements. MCAS will still count as state numbers, how many students participate and the grades. C. Panczyk stated it is important to get messaging out to let students and parents know MCAS is still important for our state numbers.

IV. New Business

A. Budgetary Considerations for High Quality Instructional Materials (HQIM)

No new update- HQIM are expensive and require updates yearly. K. True feels we need a lot of HQIM at the high school level. There will be discussion at a later date if some of the Amazon grant could be used to purchase HQIM and if so for what school and what curriculum.

B. Classroom walkthrough data protocols

K. True stated we need to start collecting data outside of teacher evaluations. She's not seeing Professional Development that has been taught over the last few years utilized. For example, multiple ways children are being taught in the classroom.

C. Mental Health/Wellness/Bullying Education

There have been many vocal students asking for more help with suicide prevention information. Our expectations are the same District wide, they only change to be age appropriate. We need to build on these expectations District wide.

III. Adjournment

A motion by Cathy Carmignani, seconded by Nicole Enberg to adjourn the meeting at 3:01PM was passed unanimously.

Kelly True- Yes

Cathy Carignani- Yes

Nicole Enberg- Yes

Caitlynn Panczyk- Yes

The next subcommittee meeting is scheduled for Monday March 10, 2025 at 2:00 PM
