Dear Parent/Guardian:

Our district utilizes *LinkIt* to analyze student achievement and support goal setting at the district, school, grade level, and classroom levels. *LinkIt* also provides benchmark assessments, which students take in the Fall, Winter, and Spring, depending on their grade. Teachers use these results to personalize instruction and set meaningful academic goals for each student.

We are excited to invite you into this process and encourage you to activate your *LinkIt* Parent Portal. By reviewing your child's current and past assessment results, you can partner with us to help your child meet—and even exceed—grade-level expectations. Depending on your child's grade, you may see results for the following assessments (links included for more details):

- [New Jersey Student Learning Assessments \(NJSLA\)](#)
- [Dynamic Indicators of Basic Early Literacy Skills \(DIBELS\)](#)
 - [\(Click Here for Spanish\)](#)
- [LinkIt Benchmark Assessments](#)
- [ACCESS 2.0 for English Language Learners](#)

If your child's results indicate the need for additional support, our school district offers services such as small group instruction, one-on-one interventions, or other reading assistance programs.

You will soon receive an email directly from *LinkIt* containing your unique registration code. The sending address will be registration@linkit.com. Please watch for this message and check your spam/junk folder if needed.

Once you receive your email, you can use the video tutorial below or follow the step-by-step instructions to set up your Parent Portal account.

Estimado padre/tutor:

Nuestro distrito utiliza Enlace para analizar el rendimiento estudiantil y apoyar el establecimiento de metas a nivel de distrito, escuela, grado y aula. Enlace también ofrece evaluaciones de referencia, que los estudiantes realizan en otoño, invierno y primavera, según su grado. Los docentes utilizan estos resultados para personalizar la instrucción y establecer metas académicas significativas para cada estudiante.

Nos entusiasma invitarte a este proceso y animarte a activar tu Enlace Portal para Padres. Al revisar los resultados de las evaluaciones actuales y anteriores de su hijo, puede colaborar con nosotros para ayudarlo a cumplir, e incluso superar, las expectativas de su grado. Dependiendo del grado de su hijo, podrá ver los resultados de las siguientes evaluaciones (enlaces incluidos para más detalles):

- [Evaluaciones del aprendizaje de los estudiantes de Nueva Jersey \(NJSLA\)](#)
- [Indicadores dinámicos de habilidades básicas de alfabetización temprana \(DIBELS\)](#)
 - [\(Haga clic aquí para español\)](#)
- [Evaluaciones de referencia de LinkIt](#)
- [ACCESS 2.0 para estudiantes de inglés](#)

Si los resultados de su hijo indican la necesidad de apoyo adicional, el distrito escolar ofrece servicios como instrucción en grupos pequeños, intervenciones individuales u otros programas de asistencia de lectura.

Pronto recibirá un correo electrónico directamente de *Enlace* que contiene su código de registro único. La dirección de envío será registro@linkit.com. Por favor, esté atento a este mensaje y revise su carpeta de correo no deseado/spam si es necesario.

Una vez que reciba su correo electrónico, puede usar el video tutorial a continuación o seguir las instrucciones paso a paso para configurar su cuenta del Portal para padres.
