1. XXXX
2. XXXX
3. XXXX
4. XXXX

Minutes approved? Circle or highlight **Yes** or No

Amanda motioned to approve the minutes.

Reshell seconded the motion.

The motion was approved.

Discussion Items

Notes: [add comments about actions taken if needed]

__Strategic Plan Discussion - Reduce the achievement gap, improve our knowledge about International Baccalaureate, talent management, help subgroups, improve school climate, improve Lexile scores, and improve attendance.

Methods that are actively used: Star 360 assessments, increase attendance- FATE Five Attendance Club (weekly celebrations, random celebrations, and large incentive prizes), co-teaching training for special education services (BER provides the services and is funded through a grant), Flexible Learning Program targeting lowest quartile in math, have Ms. Olive present about IB, find ways to encourage parents to take the climate survey, Lexile improvement

Suggestions:

Attendance: prizes to parents, send letters that explain why attendance is so important and how our CCRPI score is impacted, carpool phone tree or FaceBook page

School Climate: Look at data from surveys to target ways to improve climate among students and staff.

Spotlight Student of the Month of Friends of Toomer page.

Lexile:

Book It, Read to Succeed, Parent/Student Book Club, PUSH tutorial

Closing Achievement Gap: PUSH tutorial

PLUS Small Grants Application: A parent must apply for the grant. Money cannot be used for staff members. Purchases needs to be listed as line items.

“Parentpalooza”- An event that brings parents together and provides opportunities to discuss student/parent issues.

Next Go Team meeting is a Public Comment meeting. Ideas to encourage parents to attend: Robo-calls, Remind 101, website, FaceBook, flyers in folders, post around school, reward class with most parents attending, schedule of meetings in E.Lake Sun and Kirkwood Neighbors Newsletter.

Information Items

Notes: [add comments about actions taken if needed]

_Look at climate surveys from previous years to identify what items are rated low by staff and students and develop strategies to improve the climate.
