Item 1: Call to Order –

- Meeting called to order at 6:33

Item 2: Those Present –

- Noah Nygren, Andy Blanchard, Jason Quirk, Eric Quirk

Item 3: Approval of Minutes - 5-13- 2025.

- Motion to approve by Andy
- Second by Jason
- Passes unanimously

Item 4: Harbor Master's Report:

- Additional moorings added in various locations
- Requesting parking lot maintenance
- Planning to match grant money for floats and pier maintenance
- Clams re-opened from biotoxin closure
- Conditional areas expected to open July 12th

Item 5: Council Liaison's Report:

- None

Item 6: General Public Comment:

- None

Item 7: Old Business:

- None

Item 8: New Business:

- Discussion on water quality levels
    - Red tide levels currently back down
    - Andy has an interest in determining if P90 scores are continuing to worsen which may close down more areas.
    - Harbor master is not concerned about the areas that are closed already because they were not productive.

- Discussion on 2026 crab kills
    - Andy Blanchard moves to add 3 crab kills on July 15, 16, and 17 at Jones Creek.
    - No second, motion fails

Item 9: Set Next Agenda:

- Planning to meet in September
- Planning to discuss ordinance changes

Item 10: Adjournment:

- Motion to adjourn by Jason
- Second by Andy
- Unanimous at 7:08
