PHILOSOPHY

Our baseball coaching staff is committed to providing each student-athlete with the opportunity to reach his goals as a player. Our priority is developing each player into a strong, independent person, well-rounded student, and contributing citizen. Regular meetings with advisors and coaches are designed to ensure that each player is taking advantage of opportunities for growth.

HISTORY

Trinity-Pawling baseball has a strong tradition of developing student-athletes to play at the next level, as well as compete in a tough league. Since 2020, over 30 players have moved on to play college baseball. Alumni Kirk McCaskill '79 and Mo Vaughn '86 have experienced lengthy MLB careers.

LEAGUE

The Pride competes in the Founders League against Avon, Choate, Hotchkiss, Kent, Kingswood, Loomis-Chaffee, Taft, and Westminster. In addition to a 20-game season against other New England prep schools, the team takes an annual Spring Training trip to Florida during the March break.

FACILITIES

- Mo Vaughn '86 Baseball Field - 2012, named for Maurice "Mo" Vaughn, who had a decorated MLB playing career. The renovation of the Baseball Field in 2024, with new turf and batting cages, represents a transformative opportunity for Trinity-Pawling student-athletes. The only school in the Founders League with a turf baseball field, our facilities provide unparalleled player development opportunities.

- Smith Field House - 2017, equipped with an 80-foot batting cage, two full basketball courts for defense work, two portable pitching mounds, and a three-wheel pitching machine capable of simulating any pitch our players will see in a game.
