Student Council

We would love to thank the ARES staff, students, and parents for supporting StuCo this 2024-2025 school year. It's been a wonderful year.

We end our season with a series of fun dress-up days, May 12-16, you'll see on Dojo, showering our amazing staff May 5-9, and saluting our 5th graders at their promotion ceremony on May 23rd.

We also hope every student council member can attend our EOY party on Thursday, May 22nd

A Note From Your Principal:

Hello Roadrunner Families,

Here we are, the end of the school year for our Roadrunners! It's bittersweet, especially for those moving on! There is so much happening at this time of year that it can be as stressful as it is exciting! We just wrapped up SBAC. Those results don't come back until the end of the summer/beginning of the next school year, but we are hoping for some big gains from our 3rd-5th-grade students! We are beginning MAP testing for K-2 this week, and next week, our 3-5 will take MAP. We will get this data almost instantly, and we are looking forward to celebrating students who made growth, and especially those who met their aggressive goals. Please check with your child(ren) and/or their teacher so you can help support them in meeting their goals!

I want to thank you all for your tremendous support throughout this year! Most recently, we raised a profit of over \$4,000 for our school from the Spring Carnival! This money will help us celebrate our students' success, such as for MAP and attendance incentives, purchase classroom supplies, and cover costs for end-of-year celebrations and promotions. I also plan to beautify the school after the construction is finished. Some of the funds will also help us celebrate our amazing educators during Staff Appreciation Week, May 5- May 9. I hope you all will join me in celebrating the people who try their best every day to ensure your child(ren) is/are successful. It definitely takes a big heart to shape little minds! Please be on the lookout for our Staff Favorites List on Class Dojo so you can give the gift, treat, and/or snack that our staff like best! Looking forward to a great ending to our year!

Counseling Corner

Thank you to our families for making attendance a priority. Attending school regularly helps children feel better about school – and themselves. By prioritizing good student attendance, you are sending a strong message that education is important to you and to your child's future. Attendance Counts! All day, every school day!

We look forward to more celebrations! We took 95 students with excellent attendance and behavior to The Sphere for a field trip and we have had two classes celebrate with an ice cream party with parents/guardians. Let's make May our highest attendance as a school to finish strong!

Staff Spotlight

Name: Derrick Beyenka

Position at Roberts: Kindergarten Teacher

Hometown: Henderson, NV

Favorite Food: I can't say no to sushi.

Fun Fact: My favorite thing to do is see live music.

**Our Boys Town skill is the same as last month:
Accepting Criticism or a Consequence.**

We do this by teaching these steps:

1. Look at the person.
2. Say, "Okay."
3. Stay calm.

Very Important Parent Partner

Our VIPP for the month of April was Mr. Sonny. Mrs. Sage nominated him for being such a supportive parent and for sending such a wonderful student to her class everyday! Mr. Sonny often volunteers at our school events such as the carnivals and field day and is also a member of our Student Generated Funds Team. We are so grateful for parents like Mr. Sonny!

A Note from the Health Office...

Parents, please monitor your child/children and keep them home if they are sick.

If your child is prone to accidents, please send them with a change of clothes and make sure all items of clothing, backpacks, and lunch boxes are labeled.

****DO NOT SEND MEDICATION WITH STUDENTS TO SCHOOL. ALL STUDENT MEDICATION NEEDS TO BE CLEARED AND KEPT WITH THE HEALTH OFFICE.****
