October 9: Apex Event Day K-5

October 10: PBIS Day - Wear your House color

October 10: End of 1st Quarter

Stay up to date with all of our events on our calendar at aggieroberts.org

Student Council

We're excited to offer **2 OPTIONS** for Student Council this year.

A new "**Stuco & More**" Club will be offered for all 3rd-5th-grade students as an after-school club on **Mondays**.

Please be on the lookout for club information on **Class Dojo** and emails.

Student leaders impact ARES in immeasurable ways and have the most fun!

We're excited to have Roadrunners interested in being a StuCo member or Student Body Officer.

A Note From Your Principal:

Hello Families,

Thank you to those of you who were able to attend our Open House! If you attended, I hope you gained more insight into how we can partner to help your child(ren) achieve success. If not, please feel free to reach out to your teacher to clarify because our strong partnership makes a huge difference!

By now, all of the students have taken the Fall MAP assessment. We use the data from MAP to help guide us in meeting your child's academic needs. The students will take the MAP again in the winter and then again in the spring, and each time our goal is to help them meet their growth goals and become proficient, or maintain proficiency. Ensuring they attend school every day so they can receive our instruction, making sure they complete their Monthly Homework Menu, and ensuring they read daily by signing a slice on their Apple Core bookmark are three huge ways families can support their children. Another piece we are working hard on this year is to help students take responsibility for their learning and their actions. One thing you can do at home to support this is, whenever your child encounters a problem, seek to understand and guide them rather than solving the problem for them. This will help with everything from managing their schoolwork to their relationships.

As an additional support to our families, I'll be leading a workshop with Ms. Nicholson on how to help your 3rd -5th grade child regulate their emotions when problems occur, and the PreK team will be presenting the same topic to PreK-2nd grade families on Sept 19th. We'll be sending Tucker Tortoise kits home to those who attend. I hope to see you all there, as this is something all of our students need support with to be successful in elementary school and beyond.

Lastly, please save the date for APEX! Our biggest fundraiser of the year! We thank you for your support!

Your partner in education,

Mrs. Rasavong

Family Engagement

Thank you families for joining us at Meet and Greet and Open House. Here are some upcoming opportunities for you to get involved in our school and your child(ren)'s learning.

September 20th is our **Community Market**, where we are inviting vendors and families to buy a space and sell new or gently used items. We will also have a car wash, a donation space for our musical theatre production (all undersea-themed items welcome), and the DonutNV truck. Join us as a shopper or a seller. We can't wait!

We are also hosting an emotional regulation **workshop** on **September 19th** from 2:00-2:45 p.m. to help families support their Roadrunners in regulating their big feelings. We hope to see you there!

Tucker's Corner

Hello Roadrunner Families,

Every school day is a big day for your child's learning! When students are in school, they're building important skills, making friends, and discovering new things. Regular attendance is key to their success. Let's work together to make sure every child is in school and ready to learn.

Please remember to turn in doctor notes and sick notes, when they miss school!

Thank you for your partnership! Let us know if you have questions or need any other support!

Mrs. Nicholson, School Counselor

Staff Spotlight

Name: Junior Leon Alvarez
Position at Roberts: Night Custodian
Hometown: Havana
Favorite Food: Lasagna

What's the best part about being a Roadrunner?:

The best part about being a Roadrunner is definitely the vibe and the people. Everyone's super supportive, and it just feels like you're part of something bigger, like a crew that's always got your back.

Fun Fact: I'm a big fan of anime and video games. In fact, I have the PS5, Xbox, and Nintendo Switch. When I got my first console at age 7, I stayed up playing for two days.

Our Boys Town skill of the month is Asking for Help.

We do this by teaching these steps:

1. Look at the person.
2. Ask the person if they have time to help you.
3. Clearly explain the kind of help you need.
4. Thank the person for helping.

Very Important Parent Partner

September's V.I.P.P. of the month is Noah's mom from Mrs. Baynes' class. Thank you for partnering with Mrs. Baynes to support Noah!

A Note from the Health Office...

Parents, please monitor your child/children and keep them home if they are sick.

If your child is prone to accidents, please send them with a change of clothes and make sure all items of clothing, backpacks, and lunch boxes are labeled.

****DO NOT SEND MEDICATION WITH STUDENTS TO SCHOOL. ALL STUDENT MEDICATION NEEDS TO BE CLEARED AND KEPT WITH THE HEALTH OFFICE.****

Do you need to excuse an absence for your child(ren)? Follow this [link](#), or scan the QR code below:
