April 11: Last day to buy In N Out meal tickets

April 17: Spring Carnival

April 18: No School

April 28: Staff Development Day (No School)

May 2: Field Day

Stay up to date with all of our events on our calendar at aggieroberts.org

Student Council

StuCo Historians have captured countless special memories of the fun and fanfare we've had this March. Our school showed so much spirit during NV Reading Week. Look for some of those moments to be highlighted in the A.R.E.S Yearbook.

StuCo also decked the 30's pod sink area with positive stickers and LED lights too.

Can't wait for Spring Carnival & Staff Appreciation Week!

We look forward to being part of the planning for all the Spring fun that happens here at Aggie Roberts.

A Note From Your Principal:

Greetings Roadrunner Families,

The time is here, the time is now! We've worked hard for the past several months, and now it's time for our students to show what they know! Our SBAC testing began today, 3/31, and MAP will follow soon after. All the teamwork between students, our staff, and families to support student success in academics, behavior, and social-emotional skills will come together. In addition to demonstrating an understanding of the standards, students have to be able to focus, take responsibility for their learning and behavior, and persevere through challenging questions and long testing periods. Thanks for all your support in helping us prepare them thus far. We know that when families and schools work together, our student success is greater.

On Saturday, we took almost 100 students to an amazing field trip at the Sphere, thanks to support from our District's Community Engagement Office. Since they could only give us 100 tickets, we used data to narrow down the students with exemplary attendance AND behavior. Though we wish all students could have attended, we are grateful to have the opportunity for these 100 students. As I always tell the students, school is fun when we're RRS!

I'm looking forward to our test results because I've been so impressed with what I'm seeing from our staff and students! It's hard work climbing up from a one star, but I know we are growing based on our data so far and what I see every day.

Lastly, we hope to see you all at our Spring Carnival. It's our last major fundraiser of the year!

Roadrunners Go! ~Mrs. Rasavong

Family Engagement

Our annual Spring Carnival is back this year on Thursday, April 17th, from 5:00-7:00. Entry is free.

Game tickets and In-N-Out meal tickets are available for presale through April 11th before and after school outside in front of the office. In-N-Out meal tickets are only available during our presale.

We will have food, fun, games, and community vendors for the whole family to enjoy! We hope to see you there.

Ms. Hilton's Farewell

After 20 years of service to the Aggie Roberts Community, our beloved music teacher, Ms. Hilton, is moving on. She is moving to be near family, which has been her plan for some time. We are so grateful to her for her commitment to generations of Roadrunners! Her impact has been tremendous, and we wish her the best in her new adventures!

Please know that while Ms. Hilton cannot be duplicated, we will work to continue to promote the love of music with our students, just as Ms. Hilton has for the past two decades!

Staff Spotlight

Name: Amanda Arrechavala
Position at Roberts: Kindergarten Teacher
Hometown: Miami, FL
Favorite Food: Tacos
Fun Fact: I love Disneyland!!!

Our Boys Town skill of the month is Accepting Criticism or a Consequence.

We do this by teaching these steps:

1. Look at the person.
2. Say, "Okay."
3. Stay calm.

Very Important Parent Partner

Our VIPP for the month of March was Mr. Jonathan Martinez. Ms. McKenna nominated him for being such a positive parent who always has good communication with the teacher. Mr. Jonathan is an inspiration, always making a positive impact on his children and the school. He often attends school events with his children and always offers support to staff. Thanks for your partnership, Mr. Jonathan!

A Note from the Health Office...

Parents, please monitor your child/children and keep them home if they are sick.

If your child is prone to accidents, please send them with a change of clothes and make sure all items of clothing, backpacks, and lunch boxes are labeled.

****DO NOT SEND MEDICATION WITH STUDENTS TO SCHOOL. ALL STUDENT MEDICATION NEEDS TO BE CLEARED AND KEPT WITH THE HEALTH OFFICE.****

Do you need to excuse an absence for your child(ren)? Follow this [link](#), or scan the QR code below:
