Item C-2: ADOPT Resolution No. 26-13, California Department of Education for California State Preschool Programs Continued Funding Application

Q: How will we align funded work under this grant with our adopted SOFG Goals and Guardrails?

A: This contract supports our Early Literacy goal by helping 3- and 4-year-olds build strong reading skills early. It sets the foundation for success in school and supports future goals like college and career readiness. The program also builds key social and learning skills. It aligns with our commitment to give all children equal access to high-quality education.
