

School-Parent Compact
Renaissance Middle School
2025 - 2026
Revision Date 05/28/2025

Dear Parent/Guardian,

Renaissance Middle, scholars participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, families, scholars, and staff of Renaissance Middle worked together to develop our School-Family Compact during our yearly Title I Spring Parent Input meeting. This compact is uniquely developed to meet the needs and goals of our school and its students.

School-Family compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and scholars told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the Spring of each year to review the compact and make suggestions based on scholar's needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the districts and school's goals for student academic achievement.
