Lou Nevarez, Class of 1968, was a beloved member of the Cathedral High School community and alumni, He was also one of the founding organizers of the Scholarship Dinner.

We invite you to join us as we celebrate 101 years of educating young men in the Los Angeles area. All proceeds from this event will support scholarships for students from predominantly Latino and African American blue-collar and low-income families.

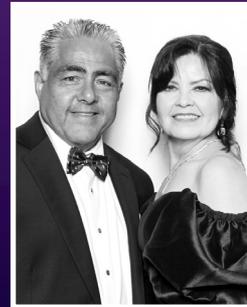

This year's event holds special significance as we honor three distinguished individuals who have made meaningful contributions to Cathedral's mission. David and Maria Alvarez '76, the *Cathedral Tradition Award* as longtime benefactors and champions of Cathedral students. Melvin Henderson-Rubio '70 the *Commitment to Cathedral Award* for his historic gift of Cathedral High School Football Field and Track Complex. Doug Cooper, Executive Director of the Catholic Education Foundation, the *Spirit of Cathedral Award* as our largest scholarship partner. It is a privilege to celebrate these honorees and their unwavering support of Cathedral High School and its mission.
