PREPARING AND HARVESTING CHRISTMAS TREES AND GREENS 2025 – Do you enjoy working outdoors in the Fall and early Winter? What about our tree and greens preparation and harvest crew? We have work from now until about Christmas. You need to be at least 14 years of age, preferably 16 years of age or older. You should have an eye for the proper shape of a Christmas tree and you should be eager to learn about caring for Christmas trees. Although our work includes shaping trees, there are many other tasks such as cutting and storing Christmas trees and greens as well as helping customers harvest a Christmas tree during our four plus weekends of Choose & Cut. This variety of tasks makes the work more interesting. Being physically fit is helpful but the tools we use are relatively light. It is important that you have the desire to provide great customer service which our staff is noted for. You need reliable transportation to and from our farm in Brookfield. We offer flexible hours. If you get out of class early on some days you could work then or school holidays or weekends or some of the above depending upon weather and other conditions. Weekend and school holiday work days 8:00 AM to 4:00 PM with a half hour lunch. At least \$14.50 per hour to start. E-mail me to apply. lhstrees04@gmail.com or call 802-276-3382.
