SANDWICH FAIR PREVIEW & STUDENT SENATE

SANDWICH FAIR PREVIEW

Ozzie Wright

The Sandwich Fair on October 13th is an event in which Cardigan students will be able to roam freely throughout the entire area of Sandwich, New Hampshire. We will have opportunities to hang around with friends, go on fun rides, play many games, see and interact with farm animals, jump on the trampolines, and eat delicious food. We will all get on the AVs and make our way to the fair, and spend the whole day there!

To give you a recommendation of what to eat at the Sandwich Fair, I recommend fried ice cream. Mr. Langetieg loves the buffalo cheesesteak, and you should ask Mr. Caprow about the soda. It is an interesting and delicious treat that is not a food you will get to eat very often. Due to its uniqueness, a fried ice cream can cost you a lot of money. Therefore, it is also crucial to budget your money wisely. To get the best experience at the fair, eat great food, go on fun rides, but do not overuse your $50. This will allow you to experience as many things as possible, and not use all of your money at once.

EAGLEBROOK DAY RECAP

Dave Han & Everett Lo

On October 4th, Cardigan faced off against our rival school, Eaglebrook. All students wore the spirit shirt that encompassed our school theme, "Practice is Purpose." The results of our games were:

Varsity Soccer: ***2:0***
Junior Varsity Soccer: ***7:0***
Thirds Soccer: ***3:1***
Fourths Soccer: ***4:1***
Varsity Football: ***30:18***
JV Football: ***22:0***
Varsity Mountain Biking: ***5:1***
JV Mountain Biking: ***4:2***
Thirds Mountain Biking: ***5:1***
Varsity Cross Country: ***30:26***
JV Cross Country: ***30:27***

This year, Cardigan swept Eaglebrook, winning every single game! This is an extremely impressive feat, and it has not happened in recent history. Good work Cougars, let's keep this momentum going!

STUDENT SENATE

Cameron Suh & Leo Hwang

Student Senate elections are an important milestone held every year at Cardigan. It is a great opportunity for students to expand their leadership footprints here on The Point. Students who have been elected from their speeches, ranging from 6th to 9th grade, have the privilege to serve our community as representatives for their grade. There are two student senators in sixth grade, three in seventh grade, and four in both eighth and ninth grade. These students have an opportunity to help Cardigan change for the better. For example, in 2021-2022, the student senates proposed the idea of hoodies being permitted in buffet meals. Furthermore, even the buffet meals originated from the student senate.

This year, we saw many candidates for the student senate election who hung posters of themselves in the entrance of the dining hall to get their voice heard and to promote themselves. By running for the student senate, the participants are stepping out of their comfort zone. Additionally, the posters make our student election more engaging and interesting, and the friendly competition of becoming a student senator is a great experience in our community. The posters differ from one another, as one poster can be funny while another can be direct and persuasive. Therefore, we all have different strategies to get our voice heard. We believe that all students in Cardigan have the capacity to serve our community as a leader and we strongly encourage it.

NEW FACULTY INTERVIEW

Leo Song

Interview with Mr. Duffy

Background Information:

"Mr. Duffy is a Latin teacher, Spanish teacher, and a tennis coach. As a person who loves languages and whose educational background revolves around language study, Mr. Duffy's teaching philosophy is that time-based activities are essential to a given curriculum because all students are able to get the work done".

What does it mean being part of the Cardigan community?
I would say that being part of the Cardigan community allows me to be with a big groups of people, such as colleagues and students, with whom I can bond and seek support.

What is your favorite activity that you have seen in Cardigan so far?
One favorite activity that I witnessed was the dorm Olympics and the boat regatta. It was amusing to watch students express their creativity.

Why did you decide to join Cardigan Mountain School?
I decided to join Cardigan Mountain School for its strong sense of community and the people with whom I am interacting with every day because it makes it easier to network or connect with people when they are so great to begin with.

What is one fun fact about you?
I am able to play seven instruments, including vocal, guitar, bass, drums, piano, baritone saxophone, and ukulele.

What is your favorite instrument?
My favorite instrument is a tie between the electric guitar and the electric bass because their sounds are incredibly unique and powerful.

What is your favorite band?
Despite not being able to give you just one group, I have 4 main groups that I listen to which occupy the majority of my playlist. Here are the four pillars of my music playlist, in no particular order: Avenged Sevenfold, Ice Nine Kills, Motionless in White, Slipknot.
